Dr. Kathy Adam (Literally Critic/Writer)

Many of the spiritual poems by Poetess Farzana Aqib have always been a favorite of mine, because not only does it express a covenant between God and Man, it is also an important religious concept, in the remembrance of God, our Creator.

A Covenant

"Set me as a seal over your Heart as a seal upon your arm. "For love is as strong as death, its jealousy and unyielding as the grave, it burns like blazing fire, like a mighty flame."

Solomon 8:6

Song of Solomon

Dr. Kathy Adam (Literally Critic/Writer)

The simple, but eloquent Poems of Mystical Love, written by Poetess Farzana Aqib, consist of her personal poetic expressions of Love, Hope and Passion, that serve to readers of her Poetry, as a mirror that acts to reflect the

Beauty, Passion and Love of not only their own loveky Souls... but also the beautiful Soul of Farzana Aqib.

Nikki Arifniey, (Poetess from Malaysia)

Farzana Aqib's poetry is a deep, spiritual depicting the relationship between Man and the Almighty and poetess Farzana Aqib quest to win and earn the love of Allah by being humble and submissive to His greatness, tests and trials on Earth:

"May be one day I will learn what is love.

It's a journey of mountains and oceans

It's a dip into a rain and draught

It's a mourn of the nightingale

It's a sound of morning dove.

As Allah has promised in the Holy Quran:

"If you constantly remember Allah, Allah will show you signs that He is remembering you -"

So remember me, I shall remember you."

(Quran 2: 152)

Her poems portrays her remembrance of Him and His greatness.

The poetess hopes to win His love in lines:

"May Be one day I will rise above.

May Be one day

I will earn Your love."

Nikki Arifniey, (Poetess from Malaysia)

"Lay the heart open.

All the myth unroll

See what's carved on the palm.

Open up the fist don't resist."

Here in her poem Farzana AQIB speaks of myth in the context of finding your own connection with the Divine - having your own experience - finding your truth of the transcendent nature of your own being.

One way perhaps to lead a happy and flexible life on the right path. Live from the truth of your own experience rather than from the retelling of the experiences of others.

Authenticity arises from the ability to use the power of choice in a way that affirms your vision for your life.

In each moment, through each choice, you unfold your own myth.

identify your unique understanding of self.

Thus eventually you would be able to:

" Fly over the clouds

To see the road straight and clear."

You now are able to overcome obstacles in life your own way with the assistance of the Divine.

Farzana Aqib's poetry is a roadmap for humanity:

Salma Tahir

Farzana aqib poetry has a way of expressing the inexpressible and exposing human nature through musical rhythms, vivid imagery, and powerful metaphors. As a celebrated female poet, she has used her voice to be a catalyst for social change. Her countless volumes of poetry written deserve our praise and adoration. Let me quote these verses by Maya Angelou in her honour:

“When you see me passing,
It ought to make you proud.

I say,

It’s in the click of my heels,

The bend of my hair,

the palm of my hand,

The need for my care.

’Cause I’m a woman

Phenomenally.

Phenomenal woman,

That’s me.”

Zubair Durani(Literally Critic/Writer)

Some of farzana Aqib’s mystical poems

Give me Goosebumps.

Feeling as if I’m with Lord.

Miracle

Meet me

Like a day meet night

And earth meet horizon

Show your love miracle

Make an impossible

A possible

Farzana Aqib

Dear love

Dear love

You are an abstrusest

You are blindfolding me

Making me at the same time

All the blessedest

Yet the most unhappiest

I am change I accept

I see beauty in the ugliest

In all the improbable

In war and horror

I acts positivest

I left behind all the fairytales

All the beauties

All the handsomest

For an unfaithful Wretchedest

I sees south in the north

And east in the northwest

Dear love

I am pricked with the

Thrones

I am walking on the hot Stones

But I still feel

I am trodding

On a surface most velvetiest

I am living in the biggest

Denial ever

*I believe in your love
Knowing you the most
Unsoundest
And biggest crookedest
I am dealing with the
Biggest tragedy of heart
With a funniest mindset*

Farzana Aqib

Gift of Life

Treat the people

You were not treated

Love people the way

You wanted to be loved

Pamper others

You sometimes want

To be pampered

*Give back to life a gift
Which life never
Gave you*

*This is the best
Revenge
To take from the blue
When you return
Those dreams
Which you once saw
In the distant days
But you were not
Granted
And you may reap
Them today
But you return them back
With a smile and thanks
To someone more needy*

To someone more deserving

Farzana Aqib

Revert

Your thought gives me life

It returns my love

It gives me back

What you snatched

Farzana Aqib

Thanks Giving

*One little glimpse of tragedy
Made me crazy about laughter
One shadow of darkness
Made me realize
The worth of sunset
One prick of throne
Made me care about my roses
That one tear of dismay
Made me love my smile
Thank you love
In one short betrayal
You taught me
The long forgotten art of loving*

*And returning to myself
The long due thanks giving*

Farzana Aqib

Sent from the blue

*Trouble is a mail,
Sent from the blue
You are only the
Recipient not the cause
Read between the lines
Your message might
Be huge in its purpose.
It may redirect your
Life somewhere else
Right from this very
Moment in time.
When you are*

Actually opening this letter.

Farzana Aqib

Choose

Who says we see dreams

Dreams choose us not we

Farzana Aqib

You smell like a soil

*You smell like soils
And shine like sand
Whiff like botential
Chevalier like a mountain
Cool like a banyan
Calm like a morning breeze
Swift likes a hawk
Taste like a spring stream
Talk like a nightingale
You are my imagery substantial
You are my ultimate knockout
And my only paramount
What my ink-my taste*

*And my hail
Is actually all about*

Farzana Aqib

Dip me in your love

*Dip me in your love
Sow me in your soil
Reap the harvest of my hearts
And the scent of nirvana
In the gardens of your soul*

Farzana Aqib

I attract my dream

I chase my efforts

Farzana Aqib

Distance is Must

*Sometimes a blurry
Relationship needs a
Disconnection
For a more brighter reconnection
Gap and time cleanse the dust
Sometimes distance in must*

Farzana Aqib

Go with the flow

It's just one life

Go with it's flow

Don't live a hundred lives

Curtail all the wayward dreams

Only live one in one go

Tomorrow is guaranteed or not

You don't know

Farzana Aqib

On the Road

*The biggest
Depression we reap
On reaching the destiny
And the greatest
Pleasure we retrieve
During the journeys*

Farzana Aqib

Passion

I am reckless in my dreams

I am warrior in my chase

Farzana Aqib

Euphoria

*A moonlight
With few books
A corner of my rosy garden
A waft of a coffee brew
And I am thinking of you
Pouring my thoughts
Onto my papers
Many a poems or few
This could be
A Happiest night
This could be my
A Biggest delight*

Farzana Aqib

Only Me

Who will draw

Nigh onto

Who will draw near

Who will dare

Cut my ribbon blue

No one could ever do

The way I love you

Farzana Aqib

Where to go next

Where to go next

Where to find you

You didn't leave a hint in the

Left no footmarks on the earth

No address no direct

No whereabouts no contact

Your locus is only in my brain

Your picture is only in my eyes

Your desire is only in this heart

In the whole wide world

This is only me

Who wants you the most

And will never let you lost

Farzana Aqib

Rewrite the script

Let me rewrite

The script of our story

Let me exchange my role into you

And yours into mine

Let's see the both sides

Of the mirror

Will you let me act

The same way in the role

You acted in the ex-

Think till we meet next

Farzana Aqib

One more day

*Smile you are not
Beneath the earth
You have still pulse
And breath
A day is still given to you
A dream could still come true
Moon is still above the sky
Dawn is bright in its hue
Grass is wet
Underneath your feet
Night is drenched in the dew
You are still above the earth
Life has priceless*

Treasury worth

Farzana Aqib

Tinted

After being stained

After being outcast

Where would I go

After leaving your heart

Farzana Aqib

Chase

It halts on every corner

In every nook

In every cranny

At every turning

On every door

At each junction

Any glimpse

Any shadow

Any wisp

I don't know in the

Rustling bustling of

The whole city

To whom my heart is

Finding every day

Farzana Aqib

Shuffle

Every dawn is new

Every breath is fresh

So don't live a stale script

It's time to write a new story

Farzana Aqib

Merchant

*You anchored
On the shores of heart
As the merchant of pursuit
You off loaded smiles
Ardour, desireee and lust
You taught the locals
Choice is yours
You kept us indulgent*

*In the artifact of your craft
You offered me your heart
And I caught it fast*

*Kept in hundred layers
Like a crystal ball
Like a diamond rock
As a treasure trove
You blindfolded us
Rather blindly fooled us
We kept learning the art of love
As your disciples
Your counterfeit rules
As an disciplines
And you robbed us
From the essence of our being
When folds were off*

*And we found with open stares
Your syllabus was held in our hand
And our whole world was in yours*

*You were long gone
With the gold of many hearts
With the treasures of many dreams
With the hopes of many eyes
Ohh my pirate of the sea
How well you disguised
As a loving priest*

Farzana Aqib

Who could live in past

Who could live in the past

Who could go back all the way

Who could make memories alive

Who could bring back the yesterday

It's all what is today

Nothing is left behind

Nothing exists previously

Dear heart

Don't dwell in the past

Dear love

*Don't think too much
Memoir is becoming bankrupt
Tomorrow is being rich*

*Don't make this journey
More though
Enough my love enough
Dear brain
Learn some discipline
Gone is fictional
Present is actual
Those who bid farewell
Never coming again
Never ring the door bell
Don't halt rearward
Don't stop there
Don't dwell*

*Don't try mixing
The reminiscent
In the present*

*Don't act insane
Nothing gonna change
This pain will stay the same
Love is a game of loss
oh dear brain
Hold onto your emotions
Learn how to be tamed
Pull at the reins
Halt the bogey
Of time and train
From turning towards rearward
Life is going ahead
Focus on the forward*

Farzana Aqib

Sing my poetry

Tie me in your hair

Like a seven sky rainbow

Up in the air

Chase me like a deer of woods

With a sunshine compassion

And sun light glase

Carry me on your saddle rear

In a cowboy chick and flare

Like a flask of water

Hip hanging

*In the hot desert day
Yet always handy and near
Make me a glass of beer*

*When dusk is settled
Breeze is chilled
And bonfire is alight
Sing my poetry
Shout my name
It's time to dare
Our love is true
Write on the sand
Wisp in the air
I give my consent
You may declare*

Farzana Aqib

Love needs no narration

Love has no expressions

Love has no features

No façade

No claim

No blame

Love needs to narration

Or explanation

Love saways slightly

Like a flash of light

Like a rainbow on sky

*You just need to be alert
To be vigilant to capture
When you get goose bumps*

*When your heart beat Jumps
When air moves like bibelot
It's a herald of arrivals
It stay calm and says a lot
It's a signature move of love
Rush fast grab it and hug
It will certainly bite
Don't judge
It's a love bug*

Farzana Aqib

When its rain

*When its' rain
It adds more stain
I can't fix my inner peace
It goes in vain
It soaks the already wet
It scratches the old
Gone wounds
It spills the salt on pain
By sending all
The leftover dreams
In the blind drain
Please halt this rain*

*It drives me crazy
It makes me insane
With its heavy drizzle*

*My memory turns frizzle
It multiplies my loss
I forget all my gain
When it's rain
It adds more stain
I can't fix my inner peace
All goes in vain
I can't send back these clouds
I cant' retain
This thundering strain
I can't calm my heart
I can't tame my brain
When it's rain
It adds more stain
I can't fix my inner peace*

All goes in vain

Farzana Aqib

Revolt

It's a strange

Anatomy

It's a soul alchemy

Why can't I resist

Loving my enemy

Farzana Aqib

We are dreamers

We are dreamers

Inside a maga dream

We breath in a

Magical bubble

We live in a delusional realm

We are half awake

Half drowse

Between the two extreme

We are living our own dreams

Yet inside someone

Else's dream

Farzana Aqib

Until you surrender your love

Until you surrender your love

Into someone's arm

I am your

Until your heart carries my name

I am your

Distance, pain tears

I accept until your dreams

Reap my shadow

I am your

The day you will erase my trace

My inner love will itself die

Without a tear

Without a cry

I will stop writing your hail

I will burn my fairytale

Farzana Aqib

Custom So Deep

*I can't forget you
Do I have an option
You are my custom
So deep
Thine reminiscent
Never leaves
Like my breath on repeat
I can't halt its reception
It's inbuilt as a pattern
It stay inside and seep
Even if I am fast asleep*

Farzana Aqib

A True Love is Rare

A true love is rare

But its' there

It seldom does

But is cares

Cactus also gives flowers

Not often but in years

Goodness never dies

Be it cloudy

Or weather is clear

Who gets pricked

By the thorne

The rosy garland

He must wears

Farzana Aqib

I miss you my enemy

I miss you my enemy

I seek more pain from thee

Then remedy

Don't leave this journey undone

Reach to some finality

If thy love was not blessing

Then let it be a tragedy

Give it some climate ending

Don't make this story

A commonly ordinary

Walk my parallel

Don't halt the journey

Ohh my enemy

Do you still remember

Our hearts once revered

This love with profundity

So let this love deity

Be our souls religion

Don't stain it as blasphemy

Farzana Aqib

Pull me closer

*Pull me closer
Even from hundred miles
Love can't be killed
By mean of guile
Entice or wile
Be on moon
Or on earthly soil
You may touch my soul
You may hold me tight
In the realm of heart
One in a million styles
Even from a hundred miles*

Gulp me all

*Feel me whole
As so near as so real
Without being fleshy
As incorporeal
Close your eyes
Act as panache
Feel more verve
A dream so real
A fantasy so alive
An imagery so clear
Love can't only be earthly
It never be so mortal
Be close or far
It's an act of art*

*How to breath as in one
How to pulse in one another*

*Through a nile
From long exile
From the distance
Between the whiles
Through tears and flicking smiles
Pull me closer even
From hundred miles
Be on moon
Or on earthly soil
Love can't be killed
Even if you stretch it
In a million miles
it will come back
it will resile*

Farzana Aqib

I was your destiny call

May be I was made for you

May be I was your destiny call

May be you needed me the most

May be my love was

Your ultimate power

May be I was sent before you

To heal your wounds steadily fast

May be you come at the last

To forget your journey and move past

*May be you were destined
To earn my affection badge*

*So to adorned it
On your chivalry chest
May be I was a gift of heaven
You would dare never thought
You win me or you lose
I will remain at your side
I will always be your support
Forget about my plea
I get you or I don't
Yet my love be thine best
My shoulder be
Your last resort
The plan of God is the utmost
Let's apprehend the message and*

Leave it in the divine court

*Listen to your guts whisper
Pay heed to your inner most
Let's raise our hand in the air
To celebrate a fortune toast*

Farzana Aqib

Tears seep fast in the hearts

They will dry one day

Tears cannot fall forever

They change their passage

As some river

They trip often on new extremes

Like a freshly oozing stream

Yet don't die whatsoever

Tears don't wipe away forever

They sink in the soul as aether

They begin to flow rather inwards

*They seep fast in the heart
But work asin undercover*

*Like desert wears a dry face
No one peeps under its layers
It's seems sacristan on surface
Yet deep down it buried
Weeps and wails
A million stakes
A yelling rivers
And burnin lakes*

Farzana Aqib

New born moon

*In the chase of a sky
I tripped a million times
Yet I reached where earth
Meets the horizon
Where dusk gulp the old sun
Yes I kissed my arriving moon
And gave my night in his hand*

Farzana Aqib

A secret wish

*My secret wish for you
Isn't meant to let go
I will carry it always
In the fabric of star studded nights
And tie it on my rooftop
In the milky moon lights
To show my moon the hunt
Of my dreams
And to tell my desires
To hold it high
And never let my love for thee
Ever to die*

Farzana Aqib

***I want to have a
moment to hide***

*I wanna draw the blinds
I don't wanna world see I cry
I wanna have moments to hide
I wanna sink for a while
I will open the door to fly
To welcome the sun and broad sky
But for a moment I wanna cry
Let me emerge from the deeps of love
From these heart wrecking trial
O' my buddies till then goodbye*

Farzana Aqib

It's time to fly

O' my pal; smell the air

Wear the colour of sky

Spread your wings

It's time to fly

Untie your shackles

Cut your chains

Change your threadbare

Old and worn

Gives yourself a new name

The night is gone

And light is on

You have cully, you have crony

You're not only

It's time to rise

And keep thou head high

What's stop you from moving

O' my pal; tell me why...

Don't hide your pain and black eye

Just give yourself another try

Farzana Aqib

***When heart wears the
skin of love***

Life awakens

All the sounds

All the chirping

All the song of roaring streams

All the glow worms

All the rainbows and stars

When it wears the skin of love

Like an autumn blind darkness

Reignites it's amber in spring

And see the world

With its own eyes

Life wears a new drape

When love give it a bathe

Farzana Aqib

Plan

I don't plan my life

Life plans for me

I only take dictates

And obey as it says

Farzana Aqib

A call of the rain

*Follow the call of the rain
Don't let it go in vein
Let's drenched in its waters
Let's get wet and stained
Let's wash all our grimes
Tear and disdains
Ohh my darling hold my hands
Let's twirl and dance
Until we taste the same inner pain
Nothing should last forever
In the realm of hearts
Yet the name of love must remain*

Farzana Aqib

My unfaithful heart

*Never I have dealt with
Anything more onerous
Than my own heart
It asks questions
It demands something
I am not capable of giving back
It wishes for the moon
It cry's for the long gone stars
Which are no more on my sky*

*And not even generous
Then why to be asked
Then why to be curious*

*It scratches my wounds
It halt it's beat
It reminds me what I forgotten
And brings back all the
Debris of dreams
From my subconscious
It's being relentless
Moody and contemptuous
It provokes me to act foolish
It makes me appear heart wreaked
It's being stubborn
It's not being cautious
Yet I forgive it*

*For I know what made it infelicitous
The wounds of love
Certainly won't heal*

*They will stay alive
And will always feel
I may try to forget
The traumas of that
Unrequited love
But his heart will not sleep
It will stay conscious
And will always act repetitious*

Farzana Aqib

When will these walls go down

Ohh my my

Ohh my darling

When is the right time

When will these walls go down

When will I see sun shine

If it's not now

Then tell me

When is the right time

Show me what is hidden in you

What is the fear of thine

If it's not now then

Tell me when is the right time

*If loving you is forbidden
Then I am ok with my crime
If a stone is pelted on you*

*I will be in frontline
Will it be a blue day
Or a red valentine
Ohh my my
You will be my darling
Like a the space time continuum
Above the race time redrum
Love is never weak
It's beefy brawny masculine
It will win it will shine
Slow and steady cross the line
If it is not now
Then tell when is the right time*

Farzana Aqib

Soulmate

*Your love is like a glitter
Its settled in my soul
Its tucked on my skin
It shines in my bone
It glims in my eyes
It sparks on my hair
I take hundred dips
I swarm hundred streams
I took thousands showers
I soaked hundred rains
It stays on and ---on
It remains always here—*

Or somewhere there

Farzana Aqib

Dreams

*Dreams only work
When two dreamers
Hold each other's hand
And see the
Reflection of their
Dreams in each
Other's eyes*

Farzana Aqib

Wish

There are pent-up emotions

I want to cry

Hold me until I die

Farzana Aqib

A true love

*I wish to write a true story
Where a heart never betray
A soul never astray
And a love always stays*

Farzana Aqib

A conquest

I once loved

My brain regrets

My heart rejects

But my soul smiles

On its biggest conquest

Farzana Aqib

Where am I gone

I am getting out of my own ways

Where am i

I melt in you

I stopped my own growth

You were the axis of my life

My south my east

And my north

Thy love trapped me like a silkworm

Now I am gone, I am unknown

*I laid all my hopes on your path
I made you my comfort
I made you my home*

*I fixed my eyes on your return way
I wrote poems on your chivalry
I sang song for thy glory
Where I lost in between
Where am I
I melt into you
I am getting out of my own way
I have to go faraway
To find me somewhere
Where am I
My mirror deny
Where is my face
My eyes bleed in dismay
I am getting out of my own way*

Farzana Aqib

I miss myself

*I miss myself the most
Where I lost myself
Where I left and forgot
I miss myself the most
Last I saw it in
Someone's heart
Last I remember
Someone borrowed it
And then hide
He was a love
But a deceit in disguise
Among all my lost
I miss myself the most*

Farzana Aqib

Dare to suffer

Dare to suffer

Before you ask

Thorn comes with roses

Dare to bear a prick

No good comes without a risk

Dare to suffer before you ask

Beauty is a product of misery

No spring is grown

Without reaping an autumn

Sun glare after

A long spell of dark

Love is like a diamond

Hidden somewhere in the coal

Winning a sweat heart

Is like a walk on the cactus

A prick in the blusters

Make a glide be swift

Yet snatch like a hawk

Dare to suffer before you ask

Farzana Aqib

To a torchbearer

Forgive people

Make them smile

Pull them out from their dark

But don't forget

You are the sole

Provider of your own happiness

Don't give your little share of

Inner peace and your

Tiny flame of light

To anyone

For it is often witnessed

That a glowworm is

Being eaten up

By the blackbirds

During his journey with them

As their torchbearer

Farzana Aqib

Books

Books always talk

You read them

Or you put them on

The shelves

They exude their

Message in the air,

“That you are not alone”

Farzana Aqib

Sloughing for the soul

*Sometimes I desire to
Slough off my skin
Like a snake
To get anew me
But is there any
Sloughing and
moulting for the soul as well*

Farzana Aqib

Unrequited love

Dry flowers

And dead flames of candles

Always remind me

The faith of an unrequited love

Where someone took the

Spark of someone's life

And the scent of

Someone's dreams

Farzana Aqib

A feel of love

Sight is not important

Discern is important

Touch is not paramount

Sagacity is salient

Heart find hundred ways to meet

Eyes catch million gestures of love

*Soul derives thousands
Ways of feeling it's beloved
So am I*

*I see my love face in random blossoms
In scattered colors on canvas
In sparkly glimmer of stars
In milky haze of moon
Love is important
Not the physical content
A place in the beloved heart
Is imperative
Rest is only narrative*

Farzana Aqib

Down to the dust

*Oh my sinking hope
My love is long gone
My waiting is long
And I am all alone
Down to the dust
Like a red horizon
Like a sun slain
Down to the dust
All in vain*

*My waiting is long
My love is long gone
My hope is far away*

*In somewhere
In the northern dawn
Like a wind
Like a rain
Wayward up in the the sky
Perverse down the lane
Ohh my sinking hope
My waiting is long
And I am al alone*

Farzana Aqib

Soul never leaves

Soul stays where it belongs to

Only body runs away

Greed compels it

Lust take it away

And heart pretends to leave

And secretively

Never leaves

Soul pulls the heels

And fold its sleeves it fights

All it's life

*And keep the love alive
Body and mind so naïve
Think they killed
The heart pain
Over the malicious
Worldly gain
But realized later
When lives the empty hollow life
With nights without dreams
With days without shine*

Farzana Aqib

Left over love

*I slurped the poison
Of your leftover love
And it made me immortal
So to stay in my
Blood forever
To remind me always
That I once tasted
An unfaithful love
In the name of antidote*

Farzana Aqib

Love leaves its color

Love leaves it's color

But not on every heart

It dye you in its hue

But not to all human

Love is a bumper prize

One wins out of a million

Farzana Aqib

Kintsugi

*You upheld me when
I was broken
You filled me with
Your love gold
And made me a
Unique artifact like a
Work of kintsugi*

Farzana Aqib

Chains of love

Go celebrate your freedom

But remember the

Chains of forgotten

Love are always invisible,

They often clink in

The nights

And never let you fly

Into the clouds of

Your new adorned dreams

Farzana Aqib

You said I am beautiful

Among hundreds of fault finders

You were the one

Who peeped into my

Inner window and

Said you are beautiful

Farzana Aqib

Poetic Fantasy

*Take a sip of my love
And be immortal
For I will never let you die
I have drank ink
A potion of love
And you are in
My poetic the fantasy*

Farzana Aqib

Whisper of love

*Be careful when you
Whisper your love in
Someone's ear
It may give life to someone
Or kill someone's heart
Love is a saintly mission
And must be executed sagely
It's a fidelity of God
Should resolutely be steadfast*

*Must be delivered at the right door
To the true recipient*

*Not to be sheep tricked
On the path
Before the rightful
Destined soul and heart
Else the wrath of divine
Will never spare you
For this breach on your part*

Farzana Aqib

A forgotten taste of love

Dear love

I am leaving you in the crowd

In the merrymaking

Of youth and riches

In the false displays of love

But I will comeback

When you will be all alone

Among the rattling

Of empty glasses

On the empty bar tables

*To take you back
To the old poor life*

*Which gives you the
Comfort of old warm bed
The warmth of cosy
Home fireplace
Love built
And a sip of black coffee
Which you long
Forgotten the taste*

Farzana Aqib

Life won't move on

Life will move on

But first it will gnaw your soul

Gulp your heart

Masticate your bone

And burn all your dream

Get ready for a new journey

With an empty backpack

Without feelings and emotions

Only with wounds of heart

To change its

Bandages every day

And to moan every night

Life will move on, yes

If taking breath is only

The last name left for life

Farzana Aqib

You were the only one

*Among billions of stars you
Were the only one who
Caught my inner light and
Despite being the moon of
The whole galaxy
You wore my stardust*

Farzana Aqib

Peeps of ink

*Now I am drown
No one can pull me out
Of this smell of paper
And from the deeps of ink
Your betrayal pushed me once
Into the sea of words
Now see how this occasion
Of tears and ink
Made my paper boat
Be capsized in the
Tsunami of creation*

Farzana Aqib

Let's forget

Let's forget who I am

Who you are

Let's be a star dust

Float in the galaxies

One day may a thousand

Splendid suns embrace us

To name us love

From a stardust

To the real symbol of love

From an ordinary

Humanly lust

From a petty heart's dismay

To the real universal conquest

Farzana Aqib

***I will grow silently
In your heart***

*I will grow silently in your heart
Like a seed when it sprouts
Without a bang or noise
My love is smoother
Than the morning breeze
Not like a whirling hurricane
I will deep root you
Inside the soil of my heart
I will never uproot you like a flood*

In the torrent of my rain

*My love will go briskly
Parallel to thine life journey
Not like a marathoner fast
It will creep, it will walk
It will run
But never will halt*

Farzana Aqib

Literature

*Every thought of you
Add another page in me
Each reminiscent becomes a chapter
I put one step forward
And thou remembrance
Makes me scale
The whole ladder
Page after page
Chapter onto chapters
One book to hundred books*

*My writing sheets are
Soaking my pain*

*And to cover the scares
Of the heart
I need them in abundance
Piles onto piles
Books onto books
God knows where this
Journey of heart will reach
Where this pain of love will leave
In the middle of nowhere
Or at a milestone
On the threshold
Of some dream's gateway*

Farzana Aqib

Be a dream

*You are too beautiful
To fall in love with you
Too smart to desire for
Very enchanting to ask for
Yet all the
impossibles are
Called dreams
And if love is less
Than a dream
The it's not love*

*It's a trade off
So let me chase my dream*

*Until I am jolted to be awake
Or until you pinch me
To tell me that time is over
Sun is rising
And the day is coming
To kill all the dreams
Until then be a dream
Be mine*

Farzana Aqib

A love barter

Love don't seek charm

Love don't ask face

Love don't judge

Love don't fake

It's a sage

A trader of souls

It barter all it's treasures

If it finds one alike

If a soul reflects from eyes

If its heart at once begins to strikes

Farzana Aqib

From soil to soul

Hack me into pieces

I will still remain precious

Pluck me from the branch

I will still be blossomed

Smash me, crush me,

Grind me

I will still spark

Like a stardust

For I am a tiny particle

Of great master plan

I am a part to the whole

From soil to soul

Farzana Aqib

I remember my loss

*In a struggle of repairing
My broken self
I created anew me
Damage changed my DNA
Pain tightened my loose ends
Betray made me more though
Lost love made me more beautiful
For my eyes carry a strange glare
My words taste a new flare
Every one envying me
With a stragne stare*

I filled gold in my cracks

To remember my imperfections

To remember my loss

To remember you as my lesson

I am a master piece of

Broken heart

And broken art

I am actually now

May be called kintsugi

A love yogi

Or a blessing magi

Farzana Aqib

Story of two hearts

*Let me write the poetry of earth
In the rainbow of sky
A love story so vividly attired
It's hue and hymns
It's colors and excellence
Let me write the sweetness
Of those ewestruck wild eyes
Those eyes which left the world
Completely mesmerized
Let me write the wonders
Of those pure*

Pristinely poetic love

*Let me write the enchantment
Of two loving hearts
Who were inspired to see
Beyond skies,
Beyond the milky ways
Beyond the darkness of the night
Let me write a desire
Of two loving soul
A desire to know the unknown
A desire to manifest
Myriad concours
Let me write a story
Of two buoyant hearts
A mirthful music of their souls*

*Like a cuckoo singing in its
Enchanting voice*

*Like a river shining through
Their wide open eyes
And their love
Floating and flowing
On the silver sand
Of starry black sky
Let me write the end
Of that one poignant,
Festive love story as
On one profound silent morning
When the rising sun was crawling
In the blue sky
And humming blissful
Morning breeze*

*Was blowing with
Grace and glory*

*The crowning beauty
And glory of white clouds
Asked them to bid farewell
To leave each other's
Dreams and hearts
For the treasure of heaven
And peace of paradise
Envy their tale
They wanted their love
Only be their
This earth they judged
Was not capable to
Handle a true love affair*

Farzana Aqib

Time has its own defines

No good times

No bad times

Time has its own defines

Sometimes you open the window

And sun is glaring

Sometimes a howling

Scary gale is nearing

Life has its own paradigms

Someday at a winning point

You fall

Someday from a lower ditch

You rise

You will always here

Get a surprise

Life has its hidden modicums

Surprisingly planned

And strangely designed

Well to the magical hub

Welcome to the life club

Enjoy all the rides

From its roller coasters to

A smooth sky glide

Take your coupon come inside

One day you will learn

The art of the gambling

One day you might win a big prize

Farzana Aqib

Oh-My weaver

*Oh my weaver
Weave me in your
Heart's loom
Dye me in the best of
Your yarn
Weave me knot by knot
Into your persian
Turkish or Tibetan knob
Colour me in your
Own love ting*

Make me of your heart size

*Pull me off when my soul
Smile from thy
Framed warps
For my destiny is in thine hands
Weave me with your
Inner passion
Or disown me with
Your hatred compassion
Or pull the thread of my core
Give me life
Or discard me as no more*

Farzana Aqib

I saw my divine

My spiritual frenzy

My rapturous quest

My mystical whirling

All it began

With my love for a common man

From an earthly lust

To an ethereal conquest

I saw my divine

In the face of my swain

God sometimes wears

A mask of an ordinary human

Farzana Aqib

Pull me out with love

My hollow soul gulped me inside

Now pull me out with the

Power of your love

Make a bait of your heart

Place it on the hook and tie

Throw it in the wide endless

Sea of my love

It might catch the big blue

It might trape the long gone dream

It might bring me back

Otherwise this heart of

Mine is destined to drown

And foredoomed to die

Farzana Aqib

No more tears

*I have shed all the
Tears of my share
Now give me my rainbow
I have given you all my promise
All my hopes of love
Now it's your turn
Open all your
Treasures of hearts
Turn all your card and show*

Farzana Aqib

Go on burning

Your inner fire will make you gold

Love is nothing but a tyrant

So perfect

And a seasoned alchemist

So ministrant

It makes your coals a diamond

And your inner soil a gold

It teaches you

The chemistry of heart

And alchemy of the soul

It introduces you with

The enchantment of the eyes

And of sorcery of the lust

Go on burning

Love itself will carve you in a mould

And push you on a mystical

Test of stardust

Where feathers of angels burn

And devils dare not to stunt

Go on burning in the fire of love

Until you actually are burnt

And completely moulded

Into the hands of your goldsmith

Let him play his strokes honestly

Let him chisel you freely

Let him twists

And make you turn

In accordance to his desired

Bent and sculpt

Until you are actually burnt

Farzana Aqib

Why can't I touch my love

*When I was a little baby
I fell in love with the moon
And asked mummy
Please let me play with the stars
And the moon,
And mummy said no,
Moon is a heavenly body
Humans can't touch it
Humans couldn't reach it
Humans could only see them
From afar*

*When I turned adolescent
I fell in love with the sun
I asked mummy to drive me
To the sun
Let me feel it's warmth
Let me wear its Gold
And mummy said no,
Sun is supreme body you can't
Ever touch it
You can't dare ask it
Humans cold only view it
Could never wish more
When I grew up
I fell in love with a human
I gave him my heart
I made him moon of*

*My spherical life
I try loving him like a human
Then he vanished behind
The walls
And never emerged again
Unlike moon in the night sky
And sun in the day
Who stays forever
And never walk away
Where is mummy
Why she always lied
Humans are more supremely bodies
Thence the deities on the skies
More arrogant,
More spoiled
Materially & superficially*

*No one has access to them
If they know you love them more
They act more snobbishly
They try stay upper hand
Always demand your reverence
Never stay and wait
Never appear
Never reciprocate
They become self acclaimed
Master of your fate*

Farzana Aqib

***For my daughter Uqba Aqib
My Juliet Rose***

*I bore only one blossom
In my garden
My Juliet rose
For my quest was tiny
Like a little dewdrop
And one blossom was enough
To make me smile
But I reaped hundred springs
For that one bloom of heart
I invited a million butterflies
A thousand rainbows
A hundred light worms*

*To dance and twirl in my yard
To fill that scented lonely air
To cheer my only Juliet rose
To ease the florescent
Of my precious harvest
To make my garden
Bursting with sunshine
My little quest of heart
Made me a percipient
A love heirloom
And a recipient
A master of loving art
And I began to welcome
All the springtide
From March to the May
From November to the Eastertide*

*All the ethereal
All the earthly love vibes
Into my little Eden garden
I don't know what is autumn
And what is fall,
For I have my own seasons
I don't know what is hatred
And what is envy,
For I only sow love
And fertile love
I only know how to reap love
For my solitary
But heavenly blossom
For my lonely yet rosy
Eternally glam*

*My princess Grace
Statement flower
There are no thorns
No cactuses in my yard
No bitterly poisonous laws
All light heartiness
All forgiveness
With open pardon
Welcome to my
Heavenly chic
Juliet rose orchid garden*

Farzana Aqib

Where is my farmer

Where is my farmer

Where is my countryman

Where is my salt to the earth

Who promised me once

To let me taste

The salt of his corny fields

Sweetness of is ripening orchids

And a cold sip of his

Deep well waters

And the waft of his

Freshly ploughed earth

Who promised me

*To make me suckle
The fresh warm milk
Direct from the teats
Of his bovine
Who promised me to
Burn the oaks
And some wood logs
To make me tea
On his earthen oven
In his clay pots
Where is my farmer
My countryman
My salt of the earth
Today I am tasting
All those promise*

*Today I am seeing
All those scenic village spots
Yet alone
At my own
There is a fresh evening breeze
Knocking at my car screen
There is a beautiful sunset vista
Outside on the fields
And a concretely laid
Snakily road moving past
The pasturelands
Across the cornifields
Herds of cows and
Grazing sheep
Every thing in best place
But not thee*

*My eyes are wet
And my lips are pursed
A chocolate box view
Of the country side hue
With aromatic air of feverfew
Enormously wide
Yet untouchable and not near
Just like your remembrance
So vivid yet obscure
Today your reminiscence is
Hurting fast
As if on my brain's windscreen
Few raindrops slap then smash
Like a moth
Against a speeding vehicle
Hitting and go all flesh*

Farzana Aqib

A divinely written fairytale

True love

Even if for sometimes

Knock at your door

Stay a while and then go

Still a stamp it leaves

On your soul

Makes your heart

A deity so adorned

A shrine so reverent

A place so above the

*Common human reach
Where only fairies descend
In milky moonlight ting
To dance and sing
To honor and celebrate
A divinely written fairytale*

Farzana Aqib

Enlightened love

*I went to sleep
Wearing music of
Your whispers
Wrapping blanket of
Your arms
Cuddling pillows of
Your promise
Lighting the candles of
Your fragrant eyes
Burning the scent of your
Mystic touch
Inhaling aroma of your
Holy saffron breath
My nights are turned sensual*

*My room is
Ecstasically rich
Yet spiritually
Enlightened
I am mystically on
The seven heavens
I am earthly in my
Swain thoughts.*

Farzana Aqib

I am a writer

*I am a writer my love
My lips remain silent
And my words stay halt
I don't say, I don't talk
My pen pulls it all
What my soul craves
What is hidden in the heart
My pen pulls it all
And spread it on the white sheet
Like a new novel's draft
I am a poet, I don't cry*

*My heart bleeds in my verse
My tears dribble through my ink
My silence becomes my curse
Yet my lips remain quiet and purse
I don't dissent I don't ask
I don't say I don't talk
And my dismay
Aspires my thoughts
My brain clicks
It's own photo mask
My pen targets
Its own creative task
And in a final sync
My inscribing wears a poetic mask*

Farzana Aqib

My spiritual frenzy

My spiritual frenzy

My rapturous quest

My mystical whirling

All it began

With my love for a common man

From an earthly lust

To an ethereal conquest

I saw my divine

In the face of my swain

God sometimes wears

A mask of an ordinary human

Farzana Aqib

Affixed

*A crony of heart
Finds reason to stay
It lives all it's life
On one sill
It knows no other path
No other way*

Farzana Aqib

A message in the air

There is a message in the air

Half is come, half is

On the way

I know what is

Written inside it

I know what you

Want to say

The only fret stays

That our stopover

On the junction of the life

Is no more then few days

Make it sure it reaches on time

And don't much delay

Farzana Aqib
