Reviews

Dr. Kathy Adam (Literally Critic/Writer)

The Poetry of Farzana Aqib has touched my soul and focused my vision beyond all limits of reality, and in so doing, her words of seduction have made me a slave to the madness of her magnificently beautiful poetry... a voluptuous madness, that has seduced my soul to a vibrant state of erotic intoxication.

I have sought neither freedom nor reprieve from this madness but merely the sanctified scent of the Poetess's passionate euphoric poetry... a spicey rapture, drowning my soul in her libidiously delicious words of love.

Dr. Kathy Adam (Literally Critic/Writer)

According to the words of Poetess, Farzana Aqib,...

"My Poetry doesn't let me be insane."

Why? One may ask.

This is because, the words of all truly great writers of poetry, are issued purely, honestly willingly and without hesitation or restrictions of their hearts... absent shame or any regrets.

Nikki Arifniey, (Poetess from Malaysia)

The poetess is indeed a Queen of hearts where love resides. Love is in all her arteries that gives life to her. Immense feeling of love that defies time. It will permanently stay there in all corners of her heart.

Niki Arifniey, (Poetess from Malaysia)

Alhamdulillah Allah has lifted you to a position you so dearly desire. Congratulations dear Farzana Aqib. You sure make Pakistan proud internationally and Insha Allah your beautiful literary works Shall all remain in our hearts.

Nadia Syed (Literary Critic)

Farzana Aqib poetry endures deep longing, passion and imaginative freshness.

What inspires me the most is her mystical richness and bold adaptation.

Her poems articulate as they help us to understand our own journey of love.

I compare her work to Maulana Rumi for its resonance and beauty.

Love Robbed Emptiness

Like a moon
My love starts with
The size of my
Manicured nail
And reaches up to
The size of my
Beloved's brightest face
This love often
Drains me empty
And then suddenly
Fills me to the fullest
Taste of love

Thy love has taught Me
The cosmic encryption
A feel so unique
A pain so antique
A heart felt fullness
And a love robbed emptiness

Farzana Aqib

It's only you

Around the corner

Up on the sky

Across the road

Behind the altar

On my right

On my left

End of the crossroad

On top of the

Pinnacle

Next to the foot-hole

This whole world

Looks like
A mirror house
Wherever I moved
I caught your gaze
I saw your face
I don't capture
Anyone else
Who and whom
All are random
All unknown
It's only you
It's always you

Farzana Aqib

Discern

No one can ever be you
Only empty spaces are filled
And you never left your space

Farzana Aqib

Share of Love

Don't give my share of love
To anyone else
God is my witness
He will send you to hell

Farzana Aqib

Blend your own love story

Blend your own love story
With romance and allure
With colour and glamour
Like cream and strawberry
Add love as cinnamon
Promise full hundred grams
Kiss in abundance
Like cheese and dairy
Cuddles as ice
Fondles as jelly
Blend your own love story

One spoon of daily call
Two pinch of red flowers
Three to four wishing cards
Ten warm hugs
And a smooch so warm
Like rosemary
Blend your own love story
Homemade and pure
With fingers licking hot gravy

Farzana Aqib

Gift

It was you that made me beautiful!
Like as a rain when after
Wreaking a havoc on the Earth,
It leaves,
It also leaves behind a
Dazzling rainbow on the
Face of the sky.

Farzana Aqib

Process

No rainbow is attained
Without the lashing
Of the torrent

Farzana Aqib

Quote

I Believe in miracles!
So all my fictional
Characters live those
Miracles in my novels!
And love is always
Emerged as
Victorious in the end

Farzana Aqib

Don't see mirror
I will jump out of your eyes

Farzana Aqib

Friendship

I dwell in your heart
But you carry me in your eyes
You wear me like your skin
You keep me in your pocket
As tiny miny
Folded in your purse
Like some money
And I travel on your
Shoulders
Like a shoulder bag jinni

Farzana Aqib

Package

Pain has its own colours
They come after the
Flood of tears
Like after a heavy rain spell
A rainbow suddenly appears

Farzana Aqib

Poor

Sometimes we expect something
From someone
Which the naive
Person actually don't have!
And we feel he is miser!
By the same token
Giving back the true love
Is one of the biggest offering
An ordinary heart
Can't afford to even offer!

Farzana Aqib

Love never leaves it's roots

Like an old tree

Love never leaves it's roots

Storms comes, lightening strikes

Leaves shunned

But it remains intact

Fighting against the

Four seasons

Love has the same powers

Over the centuries

Over the decades

It never leaves
Its roots from the hearts
Love remains intact
Body may get ruined
It still fights
It remains joust
Birds still come
Nests still build
Love still breath
Stem may tilt
Love is never killed

Farzana Aqib

Fate of unfaithful love

From my window
I saw a hawk flaying high
Above In the deeps of the blue
And also saw an
Oblivion little bird
Right underneath the clouds
It reminded me the
Fate of an unfaithful love

Farzana Aqib

Quote

In my literature
A Fictional love
Becomes a true story

Farzana Aqib

Message learnt from Life!

Message learned from life
Never love at first sight,
The brightest day afar on horizon
Often turns out to be darkest night
Love spell pulls you towards it
Like a magnetite
Dig your heels and fight
Never love at first sight
Never make a lover turn intruder
Never make him a warrior general
He came he saw he conquered
Never grant him all the right
Never love at first sight
Be your judge, be your juror
Be your heart's own executor

Be arbiter be evaluator
Judge invader's all the move
Let it go
If finding has doubt
Even minor or slight
Love betrayal is irremediable
This is one thing which
Stays untreatable
With open eyes
Be a chooser
Keep choice
Never surrender on other's desires
Haste will leave you
In a miserable plight
Never love at first sight

Farzana Aqib

Holy verse of love

My grief will be my happy moment

My lost will be my treasure

My failure will write my prosperity

My tears will turn into

My ultimate gift

For my God is witnessing

My transprity

All my falsity

For when hearts are pure

And full of veracity

Life turns miraculous

All refreshing and candour

Such as God prevailed
Ethereally
And nothing else beyond
That
Such as a broken heart
That surrenders to the will
Of God
Is above all
Like a dinkum oil
As a verse of quran
As a saying of gospel

Farzana Aqib

No I can't move on

You left your heart's
Four seasons
On my face
And one in my inner realm
Rainy one in the eyes
Springy on my lips
Autumn in my tresses
Summer on my skin
And winter in my soul
Every season moved past
Only winter is persistent

It remained as dicast
It frozen my feel
It iced my soul
My life is stuck
On one tableau vivant
Rest in blurry on the
Spherical set
My life wheel is Jammed
In the debris of defunct
You think I can move on
No I can't
No I can't

Farzana Aqib

Stardust soul

Soul made of stardust
Heart made of Gold crust
You carry a whole celestial
Spark in your realm
Your eyes exude sun rays
Your love emit moonlight
And all your acts ooze twilight
You are ethereal diety
You are beyond spherical reign
You are sent from the other star
You are made in angelic avatar

To define you materially
Is just unjust
You must be incorporeal
You must be a devout and reverent
Rest assured my beloved
A beautiful inner always
Has a beautiful facade

Farzana Aqib

Courage

Emerge from your
Heart's downfall
Pick up your courage
And call
All the fairies
All the pixies
And a euphoric peri
Will descend from
The sky
To hold you up
To become your pal
Emerge form your
Heart's downfall

Farzana Aqib

Your 'said' is buried in
My heart
My 'unsaid' is written in
Your eyes

Farzana Aqib

Always Ceased

Love invasion is a

Lifelong slavery

Once invaded

Always ceased

No rescue

No freed

Farzana Aqib

You have to grow your
Own happiness in your
Own back yard
You don't get a knock everyday
With someone standing
At your door
With a bouquet of flowers

Farzana Aqib

Your next chapter of life
Is going to be muted
Without me

Farzana Aqib

Frenzy of the soul

Manipulate the heart
And convince it
That a feeling name love
Never existed
It was hallucination of the mind
It was frenzy of the soul
It was a visitor
A stranger
A robber
Who lost its path
Who looted the treasures
Of the heart

Long gone
Long existed
Story of love at that
Cross road turned
And twisted
Love never came this
Away again
It never visited

Farzana Aqib

Let me try one more time

Let me try one more time

Let me make your wish

Let me break the rudder of my boat

To make our love

Sink into the deeps of

Unfaithfulness

let me carve a hole

Into the board

So not to emerge again

And vanish into the pitch

Black darkness of oceanic

Like a love drown long ago

In the ship titanic

Let me try one more time

To give you the best

A last gift of mine

Farzana Aqib

You taught me the art of heart

Through supping
And tasting
Slowly and swiftly
You taught me the art of heart
It took me decades to mature
Like an old wine
Now this intoxication's of
Love swallowed me
In one gulup
And I am totally vaporized Into the
Barrels of thou love!
Our love is destined to be known
Like the best winery
Among the beloved's grape-yards

Farzana Aqib

What is my story

What should I tell you my friend

What is my story

What is my dismay

Which part of the heart is patched

Which piece of soul is yet to mend

What should I tell you my friend

When the heartache invades

When the fiercely love intrudes

When the love pricks its gaze

How it feels,

How it takes thy breath away

And how your empire set ablaze

What should I tell you my friend

The debris of my broken heart

The smoke of my burnt hopes

The flames of my burning love
That wounds of thine empathy
Still are alive, still awake
What should I tell you my friend
One truth only I will whisper
One dogma I disperse
Love could never be forgotten
Reminiscent comes and visit often
One may lie,
One may deny
Once a beloved always a beloved
Once invaded always ceased
Love invasion is life long slavery
What should I tell you my friend
What is my story
What is my dismay

A touch of love

I kiss to the waft
Of morning breeze
For it moved past you!
I embrace the sun rays
In the noon!
For they go inside your room.
At dusk I cuddle stars and moon
For they make you smile
When you look them
With nostalgic gloom

I will send a warm cuddle
And hot nuzzles
In the hands of twilight
Keep the windows latch open
Don't sleep soon

Farzana Aqib

Help

Everything ended that night
But why pain is not ending

Farzana Aqib

Oneness

Let me paint you red
With the color of my love
So to run in your veins
So to be called your blood

Farzana Aqib

The Poet

My thousand poems

My hundred sonnet

My numerous books

My million thoughts

My trillion ideas

Yet he is the solely

He is wholly

Like one sun, he is only

The whole galaxy of creation

Behind my literary narration

When I write

He stands by me
When I think
He smiles at me
When I ponder
He gives me a clue
When I stuck
He gives me a punch of views
He is seen in each of my words
He is everywhere
From thoughts
To ink, from ink to paper
From paper to binding
From binding to jacket
He is the title
He is the subject

I am only a cipher
He is actually the writer
I am only the witness
And he is my
De facto poetess

Farzana Aqib

Love just happens

All you need a

Reason to love

All I believe

Love is a reason

Love is illogical

Love is irrational

It can't be planned

It just happens

Not only with amorous intention

Farzana Aqib

Who is dwelling in me

I some times feel

He is none existent

No I am sure

He is actually no one

He is only my delusion

My own self created love

Yes he is not physical

He is my delirium

He never materialized

He is never heard

He never send a card or flowers

He never calls
He never says happy birthday
He never wish
When new year starts
Certainly my love is my
Own creation
He is my fantasy....
He is not real
But then why this heart of mine
Throb all the time in my chest
If he is not real
Then who is dwelling in here

Farzana Aqib

Unheard prayer

I wish to forget you!
But my most desired
Wishes are often unheard!
Otherwise this wish of
Forgetting you couldn't
Have been born at the first place!

Farzana Aqib

I will grow again

Bury my love
If it's must
But don't bury hope
Leave this tiny seed
In the soul's dust
It may get roots
It may rise above

Farzana Aqib

That one Ray of Light

That one little window of hope

That one ray of light

That one green peep hole

Let that little link between

Us remain alight

Let one small flame

Lit in the darkest night

Let that tiny spot stay alive

Sometimes a little light worm

Give life to the dense jungle

It leads hawks to take its flight

Farzana Aqib

Feel my heart

Hold my hand

Place it on your heart

All the stuck words couch fast

Repeat those assertions

Which you voiced in the past

Long looked for comes at last

Farzana Aqib

How long I have to wait
Will you ever come
Will you be here
Life is short
And you are always late

Farzana Aqib

The bonne bouche of love

The bonne bouche of
Your love
Is still sticking to my tongue
Thy flavor of love
Was so delightful and enough
That it's been long that
I never felt hunger
I never have the craving
For any other love
Bon appetite my love

Farzana Aqib

I crave you everyday

I carve you every day
In alabaster as sculpture
In limestone
With a beige tone in marble
As angelic vein
Nothing works
Nothing attained
Even on the moonstone
Nothing incised
Nothing atoned

From night to dawn
I work hard,
Without reward
You can't be chisel
You cant be sculpt
Nothing stand your worth
Your true picture is engraved
Onto my heart
That is the only master piece
That is the art

Farzana Aqib

Don't chase away my dream

Every day you gulp
One part of me
Every day you chase away
All my dream
Every day I tend it back
In my eyes
In my love's realm
Every day you strive hard
To jump out of my heart
Every day I pull you back
I am real mean

Farzana Aqib

A tug of war

Love is like a tug of war
Let the whole world
Pull its rope
Animosity will try
To lay a trap
Let them play their
Dirty pream
You get settled for your prep
Let them put all their power
You just relax
Don't backslap

Loosen the rope
In one snap
All their trickery
Will go overlap
Falling into its
Own dig grave
And collapse
Love has its on world
Love has its own map

Farzana Aqib

One Face Remains

I painted a hundred canvas
Yet at the end
Only one face emerged
As if hero remained the same
And only hundred
Attires are changed

Farzana Aqib

In one face

In one face

I see the whole sphere

All the skies and all the space

In one face

I drew my miniature world

Sketched my seas

My ocean my river

My sharks my dace

In one face

I saw my past

And my present

All my quest

And my chase

In one face
I saw all the humanly innocence
All the saintly grace
In one face
I see my happy moments
I find my melancholic trace
In one face
I see all the super natural
And all the human race
In one face
I bind my hopes
I tie my dream
I entitled it
My make or break

Farzana Aqib

Who Was He

Who was he
The one who
Just moved past
Please rush behind him
And make him halt
It was him
Or some sage
He spellbind me with
His gaze
He wrapped me into
His spiritual haze
He looked like him
Same saintly aura
Same angelic face
He took my breath
He left me amazed

Farzana Aqib

So forget

You want to forget

So forget

If this is the destiny of love

Then why detest

Nothing is unfair

Nothing is uneartheast

Love should be an easy victory

Not some conquest

Forgetting is also a mood of heart

A commoner art

Many unfaithful try and test

Many faithful love and trust

Forgetting is a ritual of the world

Loving is the habit of the God

Surrender in love
Is an angelic trait
Deceit in love is iblis craft
Love is all to be stalwart
To be trustworthy
To be steadfast
Betrayal in midway
Is treacherous exploit
And satanic redraft
Love and betrayal
Together can't stay
Leave my friend, move, step fast
Love is not of your taste
Love is not of your class

A sage

He must be some sage
That's why my heart
Is clung to him
And my soul refused to evade

Farzana Aqib

Impossible

Who will separate us
Love is gravitational force
The more you push it away
The more it comes close
It's like a catapult
The more you pull it backwards
The fastest it moves forward

Farzana Aqib

I love you at your darkest

I like you at your bestest
But I love you at your darkest
I love you in your rains
I love you in your harvest
I like your summer mornings
I adore your winter days
But I want to be there
When earth is barren
And autumn is all over
I like your brightest seasons
But embrace all the dullest
Never mind nerve come

When you are in the
Sunny sphere
But always call me dearest
Always be nearest
When sky is heavy
And the season of the heart
Is most cloudiest
And the path of the soul is
Wet and moistest

Farzana Aqib

Inheritance

Betrayal is inheritance

Deceit is legacy

Treachery is in bloods

Bequest in perfidy

Generations carry their heritage

On their shoulders

Farzana Aqib

Why can't I Forget You

Why I can't forget you

Why you are so entrenched in me

Why I can't be self-restraint

This is not a actually me

I can feel I can see

I believe some extrinsic

Some external some seraphic deity

Working on me

To make your love eternal

And my being illustrational

This is not actually me

My brain and brawn,
My thought and thew”
Totally locked and ceased
Why my resilience is decreased
This is not actually me
I can clearly see
I have dubiety
My blood is somehow
Transfused with yours
My soul is somehow
Detached from me
Thy heart is somehow
Patched on me
I look the same
But I live in thee

I breathe your air
I slumber your sleep
Your pulse is running inside me
Your heart is thumping in my ribs
My destiny is now written
With your ink and nib
My eyes are ceased
To see your dreams
Be it a night or be it a day
I can't cope with this
inner quandary
Let me slit my finger
Let me check
I have a notion
I have a doubt
Whether blood would

Ooze out of it
Or your love would peep out
From here
Like a western sun
In eastern sky
Like a Mount Everest
Replaced with mount doody
Like someone else is
 Dwelling in your body
That you are nothing
But a box of woody
He is you
And you are nobody

Farzana Aqib

Love Delight

In the morning at seven
Let me gulp you
Like my morning coffee
Let gobble you as my lunch delight
Let me munch you
As my midnight meal
I want you to run in my blood
Twenty four eleven

Farzana Aqib

Phenomenal Love

He wanted me
In the extra role
In his life's theatrical
Yet an ordinary act
The didn't want to shuffle
The old script
And an oblivion like me
Already casted him into the lead
In the storyline of my
Phenomenal life

Farzana Aqib

Sent

You were sent
At my door
So I accept it
When a gift comes from God
Who would dare reject it

Farzana Aqib

I am not what I use to be
You are either not the same
This love has played a dirty game
Neither did I go my home
Nor did any anyone know
Where have you gone

Farzana Aqib

Let's Start A New

Let's erase the slate

And start anew

Let's write another story

Let's change the era and scenario

Rewrite all the dialogue

Compile another

Languages catalog

Shuffle the roles

Age barriers

Class, stage, sets

Poetry songs, sonnets

Rules of censoring
Even religious forbidding
Change the directors
Bring in the new characters
Yet main clause will be the same
Main cast would remain
Under your and my name
This new story will also
Start with thee
And end with me

Farzana Aqib

Don't Make me feel Sorry

Is it ok to lie

Then I will deny

There was no love ever existed

It was all notion

It was all rumour

It was all hearsay

But do we have to

Lie to the world only

Or to us as well honey

Will it make you relax

Will it make your world satisfy

No I will call it cowardice

Let me announce mutiny

Come accept reality

Come accept your story

Let me be proud on you

Don't make me feel sorry

Farzana Aqib

Epistle

Draft a grapheme

Dispatch a letter

Write some epistle send a mail

Fight for your fairytale

Farzana Aqib

Listen to the silence
You will hear my voice

Farzana Aqib

Unconscious

Fingers unknowingly move
On the instructions of heart
They write what mind deny

Farzana Aqib

For the things I wished
You turned out to be the
Most desirable

Farzana Aqib

Love for Sell

I wish I could find you somewhat
In some abandonment
In the woods
In some dry well
Or in places
Where you are for sell
Like joseph (Yusuf)
In the egyptian retail
I wish barter is made
Way of payment
Love is only accepting cent
For no one is
More richer than me

In the wealth of hearts
In the treasures of love
I am sure I will take you
My bidding will be something
No one could ever match
No one would worth a proffer
No one would dare an offer
I will take you from the world
If needed I will snatch
Let's go my darling
In my ketch
In the sea of endless love
To float with the slatch
To live in the similar heart
And a soul just identical match

Farzana Aqib

Anguish

Sometimes most important
People are the one who are
Not meant to stay longer
In Your life

Farzana Aqib

Toil for Love

There is no hindrance
no barricade
If you want a glimpse of love
You may
Love can manipulate
The world
It can carved tunnels and lake
Through turkey to India
From Iran to Bahrain
Through mount Behistun
Like farhad did for Khusroshirin
Love has hundred
Holes to peep
Love has thousands
Ways to meet

Farzana Aqib

I own my story

I own my story

I write my own failures

I accept my imperfections

To know the ways to perfection

I own my flaws, my errors

My mistakes, my omission

To seek forgiveness

To get ready for submission

I know nothing gonna last

And stay forever

I know I need not to change

Thy blessings will wash

All my stain

Thy forgiveness will
Put me in no strain
In no trail, in no exam
Neither will your mercy
Hold me in blame
I believe in his clemency
My beloved will love me
The way I am
I know I have in me
A pinch full of goodness
That is the reflection of thee
I know my heart is
Humble and not that bad
For it's the abode of thee
Know someone loves me
Behind the veil

With all my imperfections
And all my sinner traits
I know when I cry
Someone removes my tears
I know from the core
Nothing is gonna last
And stay forever
I will keep handling
My misconstrue
Divine is vigil behind the blue
He stand witness
What is counterfeit
And what is true
He knows better
Where is sunlight
And where is hue

I own my Achilles heel
I want to judge my misdeeds
I want all the misery
And pain to feel
I want to wash all my sin
I want to be pure from within
I wish to wear a saintly linen
A darwaish attire
And whirling rhythm
So to attain higher place
Somewhere to catch
A glimpse of God
With all my snag
To get astray
In seven foyers
In saintly ways

To carry a flag
To wear a badge
To acclaim my fame
I am thy special
I carry thy tag

Farzana Aqib

Soul has no color

The color of the day is white

The cast of night is black

The shade of horizons is pink

Earth wears green drapes

Sky is blue

So is lagoon

The milky dazzling streak

Is the shade of the moon

Blood carry a color of red

The whole universe

Is made colored washed

Only water and soul
Has no tints
They are made to wear
Others people's tings
They are made to be part of
Other human beings
They are made to be called
Free for all
Mixed in them
Turn one of them
To be called one whole
The divinity itself
Is not made ocular
As it has no explicitly
It has no color

Thus the ultimate reality
Is not made visual
It's all wrapped
Inside the souls chemistry
It's all about clarity
It's all hidden reality
Which winds up
Into utmost humanity

Farzana Aqib

Ohh land of Palestine

Ohh land of Palestine

Ohh land on west bank

A home of Jerusalem

Our hearts goes out

Our pulse get sunk

What is the bloodshed

What is this hunk

What is this calamity

What are these turns

First came Egypt

Then Jordan

Now Israel on

The strip of Gaza bank

Our hearts goes out
Our pulse get sunk
What is your fate
Why you are still
De jure sovereign
What is your reality
What are you destined
What is world seeing
What is being clandestine
What is this massacre
Making no sense
What is this blood thirst
Which is not being shun
From rivers to sea
This is land of God
The home for all

Why are these rifts
Why are these walls
Brotherly lived people
Are turned blood monsters
Embracing friendly shoulders
Now carry heavy guns
Where are the prophets
Where are the saints
Where are the fathers
Where are the nuns
Where are the darwaish
Where are the Sufi
To stop this wrath
To save the earth
Wars are calamities
Not any fun

Humans are precious
They are God's sons
Why this hatred started
Where it begun
When will it halt
When will it end
Where are the worldly pundits
Where the members
Of the great United Nations
Please erase these walls
Please raze these borders
This whole world must be called
As one brotherly nation

Farzana Aqib

**Tell the rain
Please don't come**

Tell the rain don't come

I am already drenched and worn

I am already soaked

Head to toe

No more lashes

No downpour

My skin will blow in the air

My soul will emerge naked and soar

Please no more

My eyes are deluged

With the wounds of love

My heart in drown
Under archaic remembrance
If moon will not light up the night
If eyes will not see twilight
Love will cease and heart will die
Send desiccate waft of love
Send a kiss warm and dry
Tell the moon come tonight
Tell the stars warm the skies
Tell the clouds no more wrath
Tell the rain please bid farewell
My abode is flooded
My hope is submerged
Tell my moon
Shun the cowardice
And kill the gloom

Take the rein
Beat the clouds, lash the rain
Wear the light and emerge
Don't you see our love is
At dying verge

Farzana Aqib

Mask

When you pretend you don't care
You care the most,
Eyes bear the testimony
Whatever mask you wear

Farzana Aqib

Save your heart for me
You can't have it another

Farzana Aqib

Keep an eye on your gaze

Keep an eye on your gaze

It spell binds, it enslaves

When I give up

It pulls my reins

When I revolt it makes me refrain

I have wings, I have claw

I have heels

I have toe

I can run I can flow

Yet I am here I don't go

I turned hierodule

In the temple of your soul

Without any chains

Without any cage

I am free yet engage

Keep an eye on your gaze

It makes me a devout

It tie me with rope

It drives in nails

Your love is above all

Humanly phrase

I see my God in your stare

Keep an eye on your gaze

It spell binds it enslaves

Farzana Aqib

Love is blind
Don't judge

Farzana Aqib

I am red in the veins

Put your hand on your heart

And feel me

Close your eye and see me

Turn deaf and listen to the music

Of the inner cosmos

I am invisible

Yet only seen by souls

I am a stranger

Yet known to the cores

I am serene yet stirred in the veins

I am epitome of the universe

My name is love
I bide in judulars
I dwell in the hearts
I am the ultimate quest
I am red in the veins
And spherically bluest
This word is created on my behest

Farzana Aqib

Deeds

My brain is a slaughterhouse of

The ideas

They are killed the moment

They are born

They are pouring in and out

They are entering influx

They are often nondescript

They are mostly deluxe

Sometimes random

Sometimes exact

They are epoch and future

They are evil and spiritual

They are rich and deprived

Yet they are made decimate
The moment they arrived
The survivor are the one
Who carry thou name
Who bear your resemblance
Who sing thine song
Lenience is only given to them
Life is only granted to them
My butchery is biased
And utterly blind
It kills all the thoughts
And all the concepts
Still into the bargain
It's the only love
It accepts
It spares none
Yet it worships only one

With whole heartening consent
It stocks love to raise
And buy love to graze
It give no mercy to hatred
It stabs at sight all manipulates
It pampers, it buys
And keeps alive
All the calf's all the heifer
All the new born of Good faith
My butchery is called
Hate slaughtering
You may be offered
A deal of needs
If you are good at bartering
And a lover of spiritual deeds

Farzana Aqib

You are above the human Metapher

Smile in a way

Like snow melts

Look in a way like fire spread

Touch in a way like

Moonlight effects

Kiss in a way like rain drenched

Cuddle in a way

Like the wildest torrents

Fondle in a way

Like the feral waves

Make me feel for once

Your love is not ubiquitous

You are above the
Humans love metaphor
Your love personifies
The whole universe
Make me feel for once
That I am making love
Not to an ordinary man
Rather to the spherical sun
Or to an endless ocean

Farzana Aqib

Ohh my darling its your turn

Be stern or return

Ohh my darling its' your turn

I did all the pilgrims of love

I met all the rituals of heart

Our love is halted at your whims

You may make this reality

Turn into a dream

Or make this dream

Turn into an actuality

Or you may give it a spark

To let all the hopes burn

Ohh my darling its' you turn

Be stern or return

You may hold my hands

And reach to the mecca of love

Or you may prevent it

Be being forestall
By denouncing it forerun
Ohh my darling it's your turn
I have played my part
I am emotionally drained
I am mentally done
Now ball is in your court
Play a smart shot
To shut all the
Worldly hiccups
By tricking the world
With your out reason
Give me a moment of pride for once
Let me say well done
Ohh my darling it's your turn

Farzana Aqib

I seek my love

All the sovereignty kingship,
Thrones and knighthoods
Castles, citadel, fortress
Give away in alms
Give them to beggars
To greedy to needy
To puppeteers to cheaters
And to manipulators
I am a trader of love
I want a heart for heart
And a soul for soul
Pity to those baggers of wealth
Pity to those merchant of bodies

I wear rags
I eat stones
My outer is worn
My greed is gone
My lust is torn
I came to this land
To seek my love
To take thee back
In my beggars hut
This it the height of my capacity
This is my ultimate capacity

Farzana Aqib

Will you be mine

If you want to revert the clock
If you want to bring
Back those gone days
If you desire a penalty to pay
But don't promise me
Those moons and stars
Oceans and rivers
Don't buy me jewels and diamonds
Buy me that one
Moment in time
When you held my hand and asked
Will you be mine

Farzana Aqib

My chevalier

Is there someone
Who could take my
Breath away
I looked in every face
I searched everyday
No one did the way
His machismo displays
No one matches that chivalry
Everyone always down plays
You wish to dare
My chevalier
If can
If you may

Farzana Aqib

So Sudden

Suddenly I find reasons to live
Suddenly I find meanings to life
Suddenly he came into the heart
Suddenly he became sweetheart
Suddenly he surrendered
His world to me
Suddenly I rendered my
Universe to him
He gave me his one
Moment of love
And I bestowed upon him
My future, my present my past

Farzana Aqib

Say it loud

Unzip your lips

Say it out loud

Make your existence felt

Unlatch your windows

Let the sun come in

Let the snow melt

Unshackle your feet

Leave the confinements of the hearts

Abandon the solitary of the soul

See the colors of the spring

Pull yourself, drag out

If love knocks the door

Let it come in

Never ask it's whereabouts

Hold its hands

And run thereabout

Soul remains in prison

If it never feel

An honest love bout

Celebrate your life

Be your own master

Let the world kneel

Use all the pent up bliss

Toast for your own heart

Uphold your glass

Love dance and kiss

You will feel

You never felt like this

Farzana Aqib

What if I lost you forever

What if I got you

What if I lost you forever

In one fist I have written won

In other lost

Your choice of right or left

Or guess of this or that

Will give this story

It's final chapter and the end

I will open the fist of destiny

On your tenacity

On your will

Until then I surrender my words
Lay down my pen
And put the climax on
Stands still
God knows which ending
He will make me to write
Will it be sad ending
Or will it be a blasting thrill

Farzana Aqib

Blind Advisor

Never make someone your
Advisor in the matters of heart,
If he himself is a failure in the
Subject of true love
If you ask a blind what is the
Color of spring, he will always
Say black

Farzana Aqib

Don't betray love

Don't betray love

Don't misplay

Heart is a God fidelity

No deceive no give away

Be true to this gift

No moral culpability love is

Trustworthiness

Nothing as me

Nothing as you

It's us with no partiality
Love is a gift of God
It comes with a tag line
Handle with care
God dwells here

Farzana Aqib

Devour of Love

In one instant
Your love had
Gulped me uncut
Like a serpent
Swallows the prey intact
Now take a long breath
To digest this hurried
Devour of love
Remember I am all in your love
Without any retch, and regret

Farzana Aqib

Family

The sun, the moon, the star
My little universe
In cosmic avatar
Me, her and thee
My whole world In digit three
My little family
I call him honey
She calls me mummy
She shines in my darkest nights
He make my days sunny
Happy Eid to my
Handsome honey
And little bunny

Farzana Aqib

Disguise of rain

You camouflage as clouds

You lash down as rain

You thunder clapped at my door

You drenched me

From head to toe

You kiss me like a raindrop

You miss me like a thunder roar

You captured me with electric flash

Wearing a cloak of scotch mist

You will hug me yet not exist

You will veil in wet weather

To be or not to be either

I always knew
You will take some disguise
Just to begin anew
Just to spark a life in me
Just to make me sinew

Farzana Aqib

You are written in my stars

You are written in my stars

On my palmar creases

On my tarot cards

In my destiny drawing

In my birth charts

All the planet go astray

All the moon can befall

Only wins your pluto

And your Jupiter stands tall

Your nine house

Hold the Neptune

Here it encounters
My fortune
Your sun is stuck
In the second house
And pushing the good luck
To my mars
You are written in my stars
You are magus
You are wizard
You are in my parrot foretelling
You are in my religious faal
Emerging in each forecast
You are seen In crystal ball

Farzana Aqib

For my mom

I never said loud
But today I outshout
I owe you every
Bit of me
My rose my thorn
My blossom
My wither
My angel mother
All what I am
All what I wish to be
All the years I gulped
All the moon I see
All the Christmas I lived
All the callander I read
It's because of you
It's owed to thee

Farzana Aqib

I see my God in little thing

I see my God

In little things

In my frothing coffee sip

In my ice cream's chocolate chip

On a melting waffles whip

Often in the flickering smile

On my darling lips

In the shades of my lipstick

In the hina on my fingers tips

In the color of my blusing cheeks

On the glistening of my hair streaks

In the stir of a brood

In the chirping of the chicks

In my cycles speedy breaks
In the jar of honey
In my pocket's jiggling money
When in my sulking moods
I find something funny
If in a bout of hunger
I eat something yummy
I see my god in everything
From the pinnacles of
Mountains
To the little anthill

Farzana Aqib

Yet to Come

Our moment
Is yet to come
Our crème de la Crème
Is revamping
Our ultimate is
Being altered
And being stitched
With the ethereal fabric
With the cosmic thread
Our story is being written
Like an unforgettable epic

Farzana Aqib

Happy Eid

My willows basket
Is all set to send
To my family and friend
It carries a jar of smiles
A box of laughter
Two bars of chuckling
One pack of star studded
Piece of sky
One necklace of crescent
One scarf of rainbows florescent
One bunch of prayers and peace
One hat of willowy weeds with a card
Saying happy Eid

Farzana Aqib

You Taste like Love

You smell like love
You look like love
You taste like love
You attire like love
You spell like love
You imprison like love
You heal like love
You hurt like love
You are nothing but
A tospyturvey love
Tell me my billy goat
From where I could see
The other side o thee
How could I avoid you
Where could I flee

Farzana Aqib

White Wash

Paint me With your love hue

This is reality

Rest is clue

Whitewash all the past

Future may undo

Farzana Aqib

You left already

Forget me

Which you already did

This love was only my story

My awakening

My highest message of divine

You were only anecdote

Reason or the medium

You left already

Confused and wary

Scared and aghast

I am reaping the ultimate fruits

I am collecting my soul shattering

I am reading between the lines

I am reaching to my God

You were only a body

Inside dwelling was my God

Ever since he left your abode

You left me with no remorse

Farzana Aqib

Fiction

Even when you are gone
I still move along
As if you were always mine
As if you were always my own

Farzana Aqib

Sometimes a dying love is
The rebirth of the love

Farzana Aqib
