## Reviews

### **Dr. Kathy Adam**

**(Literary Critic / Writer from UK)**

*Farzana Aqib is the most critically observant poet I've ever seen in her brilliant use of poetry and the words of poetic expression. I sincerely mean that. Wish her all the best.*

### **Nikki Arifniey, (Poetess from Malaysia)**

*“Tale of a naïve girl”*

*A poem by farzana Aqib touched me so deeply, it's A melancholic poem. She's so submissive to her Creator Without a trace of doubt accepting her fate. She believed in “Kun Fayakun” which means “Be and it is”. Manifesting the sole power of our Lord the Almighty. The girl is righteous and ultimately is rewarded the highest rank of Jannah of Paradise..*

*As in the lines: a divine commune at her access she is the richest. She is the queen of her God.*

*Hat's off to the poetess for putting precious words so beautifully. It touches all the strings of a pure heart.*

**Nikki Arifniey, (poetess from Malaysia)**

*Always so precious and heart warming poetry and soul impacting writer, always touched by the beautiful words you pen in your beautifully imaginative poems keep melting the world of compassion into your writing.*

**Charlene Phare, (Poetess and Literary Critic)**

*Farzana your poetry is powerful, very poignant, I can relate, be proud of yourself, I am very proud of you!! sending love and hugs, looking forward to reading all your beautiful poetic imaginations in future.*

## Wet

Your smile still dwell in my eyes

Your love is clung to my soul

You never touched me

With your hands

Yet that feel of thine makes me whole

Farzana Aqib

## **Grave stone**

Dig me in my grave  
Or pull me outside  
Bury me behind the walls  
Or make me a symbol of love  
My mausoleum is your heart  
My Taj Mahal is your love

Farzana Aqib

## **Marooned**

What was it

A delusion

A love

A miss interpretation

A miracle

Or a reflection of a wayward prayer

Sent hundreds of years ago

By someone like me

Which was never accepted

Or a thirst for a love which was never  
quenched

I am rebirth of a love

Which is still standing on it's path

To meet the reality

Farzana Aqib

## **Delusion**

I wonder what made me love you  
I wonder what compelled me  
To miss read you  
If it was not thy love  
What was it  
Had I went that insane  
I feel immensely ashamed  
Thy love for me left no proof  
It has no name

Farzana Aqib

## **Divine gift**

I will meet you not here  
But there  
In the ethereal atmosphere  
My love was above humanly  
Metaphors  
It was divine dictate  
Beyond your humanly inter fairytale  
Beyond your assumed trail

Farzana Aqib

## **You were just a moment**

Your love was my hallucination

You were not real

You were just a moment that went by

You were just a dream that existed

Till I wake

You were just a thought of a random

Solitary times

You were just a desire

A vision, a poem

I wrote when I was praying  
When I was alone  
In spiritual nights  
In my struggling fights  
When I was alone with my divine  
Thanks for being my thought only  
Thanks for not being real  
For this much love I possess for my  
Imaginary love  
Could be carried by a normal human  
heart  
My love would have burnt you with its  
passion  
It would have made you my God

If you were my real hero  
If you were actually close and near  
Thanks for being my love tragedy  
For stopping me from blasphemy

Farzana Aqib

## **Peek a boo**

Peek a boo

That's what you always do

From behind the palm

From above behind the clouds

O' moon of my night's

I know it's you

Send a shaft of moonlight

To enlighten my darkest skies

Some day as I wish

It would be

You may come sit with me  
Don't your heart desires to see  
A glimpse of me  
A sip of my tea  
A long bout over a coffee  
How long you will take  
Let's wait and see

Farzanaaqib

## **Love is dare devil**

Love is dare devil

It leaves you never

Love knows your inside out

Love holds your hand

And make you cross the road

It returns you back which was owed

For when in love; you are blindfold

Love gives you time to heal

And wait outside thy door,

In this waiting it loves you more

And furthermore

For when in love ; you are wounded

Love pampers you as a baby

Like soft hands of a gentle lady

And listen all your nonsense

For when in love

You lose your sanity

Love understand your flows

Still it accepts you and never goes

Yet makes you believe

You are the best

In its won judgment and behest  
For when in love; you surrender to the  
Will of your heart as a beggar,  
As an indecent swagger  
Love gives you new wings to fly  
For when in love; you forget your  
flight  
And get caged in thine heart cage  
Then love raise a curtain  
On some new stage  
True love comes and leaves never

No matter how hard you kick it out  
And how rude you snubbed it forever  
Love is daredevil it leaves you never

Farzana Aqib

## Wanted

All eyes seek his face  
All hearts ask his nearness  
The whole city is in love with him  
And he seeks me  
He wants my love  
Isn't it a miracle

Farzana Aqib

## **New look**

It's good

You didn't gather the courage

It's good

You remained reluctant

It's good

You don't miss me to that extent

Otherwise when two evenly powerful

Encounters of heart happens

Hurricanes born

Volcano erupts

Flooding wrecks

And after the torrent settled  
Earth wears a new look  
Now only I will change after the  
torrent  
My heart will be renewed  
Yet as if of some stranger  
I Will wear a new look  
Which my mirror may reject  
And your eyes may not accept

Farzana Aqib

## Theme

Many a nights I just sit  
And think,  
Many a nights I just sleep  
And dream  
Many a nights I just stay awake  
And write  
What I think, what I dream  
What I write  
What I whisper or recite  
What I ponder in broad daylight  
What I feel when I am quite

It's all about, who...

It's none other than you

Sometimes fictional

Sometimes true

But story always goes around you

Farzana Aqib

## **Doubtful**

How could I make someone  
Understand  
Love is never planned  
When love for him  
Is just offhand  
And a love story merely  
A fictional brand  
How could it sow a seed of flower  
In a cactus desert land

Farzana Aqib

## **The love**

Don't you know the miracles of love  
If not; Then love,  
Love Carries all reforms  
It calms all the inner storms  
It turns a face into a portrait  
A life into a painting  
It does transform  
To a heart so elusive  
Playing the knots of  
melodious music

It grants all the sinners of love  
an equal pardon  
and turns barren souls  
Into the scented gardens  
Love turns a salty soil into the  
Bursting orchid  
And gives a saintly aura  
To a rough face morbid  
It's magic wand touches  
A stone path  
And there erupts a crystal stream

Love goes to all extreme  
Don't' you know the miracles of love  
If not; Then love

Farzana Aqib

## **Bonding**

Where hopes end  
And no sense could apprehend  
There your love is reminded  
There in the middle of nowhere  
Your thoughts descend  
You can't be away from heart  
Even if you are no more friend  
Your mere thought suck all my pain  
And all my wounds get stitched  
And mend

What a magic of love still prevails  
Around me  
Why I always believe in you  
Why on thee I always depend

Farzana Aqib

## **Write my name**

Carve my name

On the plank of a tree

Wait and see

Love will sprout it's shoots

It will attract beehive of bees

And heart will flow like a morning

Breeze

Soul will dance on the waves of sea

Wait and see

Love will never cease to be

Farzana Aqib

## Miracle

Sometimes on concrete walls  
Life emerges like miracle  
In shape of a tiny flower  
Sometimes life sparks  
In deepest of the night  
Like a little star  
Sometimes the deserts  
Wear a drape of satin  
Wait for the miracle to happen  
Let the angeles spread their wings  
And flappin  
Never give in

It may take long  
Years May have been  
Miracles do happen  
Keep believing in your dreams

Farzana Aqib

## **Fight**

Don't' dwell in a dream  
For long, it will gulp you  
Before the first sun ray  
Don't' let it turn into a day  
And take its own flight  
Make it a reality, fight,  
While it's still a dense night!

Farzana Aqib

## **Confused**

I am wide awake  
Yet my dream is living me  
Even in the day  
You are reality or a dream  
I wonder, I cant say

Farzana Aqib

## Key hole

That one key hole  
Will raze the concrete walls  
Of melancholy  
It will demolish the horrors  
of confinement  
It will lick all the painted coal  
It will blow stardust inside the soul  
It will lighten up the dark  
Shabby  
Ignored nooks of the heart

It will banged open the  
Chronic seals  
It will drag out the prisoners of  
Traacherous love  
Into the day light of promise  
With a smiling cuddling  
Tomorrow  
Out of yesterdays' sorrow

Farzana Aqib

## **Don't give up**

I never give up  
In the darkest of my soul  
I kept one window opened  
Towards the streaks of light  
Only one ray of hope  
Will gulp all the night  
This one bleak shaft  
Will bring laurels for my heart  
Like a fighter it will fight

Farzana Aqib

## Hiccups

Like an eclipsed moon  
Like few half burnt candles  
Like some half extinguished flames  
And a smoke of half burnt dreams  
Love is never completed  
Neither could it be ever deleted  
It lives and dies at the same times

Farzana Aqib

## **Thirst**

Cloud of love drenched me  
Steam of heart rained on me  
When will the rainbow of your touch  
Soothe my soul  
When will my inner thirst  
be quenched  
As I look thyself  
As I hope it will be

Farzana Aqib

## **Crazy love**

I drank the potion of thine love

I am dazed, I am dead

On the sweet poison of love

I am always fed

I lived this life in your love

I died in your love

I will rebirth and again

I will repeat what I said

Farzana Aqib

## **Self punishment**

Wilting in thine hope

Tired watching thou paths

Love is self acclaimed sentence

No outside jury accomplishes

This torturous task

We stab ourselves

We strangulate our hearts

We let go the culprits

We give them mask  
we love our murderers  
we blind faith our love  
who is who we never ask

Farzana Aqib

## Theft

It happened one night  
A great robbery of heart  
A thief still at large  
In the theft of love  
My heart is always made targe  
There is no evidence found  
There is no witness, no charge  
I am the sole victim  
I am my own sarge

Farzana Aqib

## **Let my dream live**

Don't' wake me from my dream

Don't' pinch

My night is still young

Dawn is still away a few inch

A dream is yet incomplete

A painting is still on the canvas

Don't stir me to my conscious

Don't' act Grinch

Pace the ways of hope

Lite up the passage

With my burning passion  
With hundreds of twisting candles  
May a forgotten traveler find its way  
May the life flutter like finch  
Don't wake me from my dream  
My night is still young  
Let my dream lives to the fullest  
Halt the sun rays  
For few more minutes  
Don't' let the light kill it  
Don't' make my eyes to lynch  
My dream is my only instinct

Farzana Aqib

## **Often miss**

I miss you my unfaithful  
I carry you in my heart  
Like a vanity box  
A lady carrying in her grip  
On every excursion  
On her every trip  
Like always an important thing  
On each of her journey  
On a the gigantic ship

Like a compact powder  
Like a lipstick on her lips  
You are one little thing of the lady  
She always find in her language  
Forgotten and often miss

Farzana Aqib

## **On my way**

What it takes

If I stand in your ways

Why it pinched your heart

If I seek

A glimpse of thee

A fleeting moment to see

Why it bothers you

If I sulk somewhere in the corner of

Your heart

Ask yourself ask

Why you let your inner feeling

Wear a deceiving mask  
Love bestowed is a gift of God  
And not a thing to hide  
It's not some unpleasant task

Farzana Aqib

## **Don't' put me in your heart**

Hack me into pieces

Gulp me all

Crush my bone in power

O' love, for I want to be a stardust

Scattered in the universe

I want to shine like stars

I want to flow like rivers

I want to breath like air

I want to spread like sunshine

Don't let me be personified

Into some human heart

For it suffocate me like a prison

It possesses me like a man  
It hurt me like a love  
It stab me like an enemy  
Its leaves me like an unfaithful lover  
Let me wear the drape of divine  
Let me wander like a darwaish  
Let me build my own mausoleum  
And burn my soul like a candle  
For I want to end up burning  
In the flames of love  
And not in the fire of ecstasy  
Like a human heart:

Farzana Aqib

## **I am fading away**

I am fading away

I am being out of sight

One day you might

Scream my name

One day you may outshout

I am going away

Before bidding farewell my love

I wanna say

A phrase out loud

Love never dies  
A man dies  
Be it on earth or on sky  
Love will always chase you  
You may go hide, you may go try  
Besides hundred goodbyes  
I am fading away from sight  
Not from thine heart  
Not form the fable of love  
Like a moon on sky

Watching you from the above  
No matter how hard one wants  
Love can't be pushed away and shove

Farzana Aqib

## Dare

Just guess what I think  
Just look at me and don't blink  
Truth or dare  
In love and in war, everything is fair  
Who will surrender first  
Who will declare  
Who will act first to shun the despair  
Who's love is more pure  
Your or mine  
Who will say first, who will dare  
I think you will venture there

You once said  
You do more care  
And thine heart is rare  
Waiting for that time impair  
For thy honey thicker love  
My sweet teddy bear  
Waiting and just waiting  
Thou whisper in my ear, that  
“I love you my dear”

Farzana Aqib

## **“A widest tale of my love”**

So what's new

You always knew

I love you

It's written on my face

From my eyes

It shines through

I am slave of thy love

Shackled in the prison of

Ruthless tradition of

Stone age

You are my savior

A prince of love lost dynasty

And my lover revolter  
You will break all the chains  
You will set me free  
You will do what other couldn't do  
For I always heard  
The wildest tales are  
Always true

Farzana Aqib

## **Give me some clue**

O' dear, o'dear

Say it aloud or whisper in my ear

Who stopped you ever

Who halt you here

Give me some clue

Me, my heart or who

Or it's your inner fear

Or your timidity to declare

Or your strategy yet not clear

O' dear, o' my dear  
Don't' bleed don't' shed tears  
Buckle up your courage  
I am so near  
I never lose hope  
I never lose steer  
Call me you wish, I will be there  
O'dear....  
I see my love on sky on spear  
Listen to the whisper  
What it says in the ear  
Never dodge a loving heart  
Never act insincere

Let's come and repair  
All the broken wear and tear  
Say it now  
You once love me dear

Farzana Aqib

## **Hundred days of love**

That love bird gonna sail away  
Halt your flight  
Don't give way  
Make that longing wish of heart  
Stay a bit and delay  
I admit, I must say  
Thy love is my life, I declare  
It's lingering in my heart so long  
From centuries, decades  
And hundreds days.

Farzana Aqib

## **Crime**

Why that guilt prevails

Why to hide behind the wails

Love is a crime; who says

Farzana Aqib

## **Gift of love**

O' my beloved

May I ask my gift of love

Build me a castle

On the pinnacles of mountains

On the floors of sky's

On the pathways of rainbow

On the patios of stars

On the lands of moon

On the terrain of sun

In the middle of the space

On the branches of the orchids

On the faces of the flowers

Write mine and thine name  
Everywhere with chalk  
On the walls of the universe  
On the fabric of the world  
From sky to earth  
Nothing should value  
Only our love must worth  
It has to be,  
Only you and me  
It has to be done  
This desire is my only one  
Look how fast it works  
My love is so sincere

It listened all my prayers  
Look, my dream is on its run  
Look, the miracle of love  
Is already being spun  
Its' begun:

Farzana Aqib

## **Handicap desires**

Could you be able to do it  
Forgetting your love  
To drift from thine love and part  
It's like chopping  
Thy own heart  
Killing one half of the life  
Stabbing all of your happiness

And to live forever in emptiness  
Will you be able to drag a life  
Half paralyze  
Without any hope and surprise

Farzana Aqib

## **Warmth of your love**

My thirst makes me travel  
Across the desert  
To find my lost soulful heart  
My hunger makes me  
Swim across the lagoon  
To capture a sight of rising moon  
My inner drought  
Makes me save my tears  
To hold them for a million years  
Your love have taught me to relive  
Let go and forgive

Whether you be the companion of my  
journey or not  
You have my heart the most  
The pain which you ignited in me  
Will make me warm in the cold  
In those cruel winter nights  
In the dead frozen sea  
Of human craft  
It will make my blood to run  
In my numb stratum  
I will survive in the heat of thy love  
Long live my love

Farzana Aqib

## Forever

I am trying so hard  
But you are not leaving my heart  
I can't mend it again  
You took one big chunk  
That one piece  
Of my broken part  
I can't even fill it with Gold  
To make it appear complete  
I can't even apply kintsugi art

Farzana Aqib

## **Unforgettable**

You left long ago

But that moment stayed forever

That one move fossilized in the eyes

The way you go

Farzana Aqib

## Game

Now tell me how  
To pull you out of my heart  
Now tell me how; to erase thy  
reminiscent  
Now tell me how; to forget thine love  
You did all the mess  
You came, you captured  
You won, you left  
On thy part everything was

Well executed and perfect  
On my part every moment is  
Turned pain, tears and deject

Farzana Aqib

## Touch

I like that seldom waft of your scent  
You send in the hands of air  
When you are nowhere near

Farzana Aqib

## **It's always you**

It's always you  
In thine absence it's your memory  
In your presence  
No one dare visit, to pay  
Only you speak whatever,  
What thou wants to say  
In my sleep all your dreams  
Till the morning hues are clear  
In my day  
Thou are everywhere  
Hanging on the walls like frames  
Lying on recliner as you often

As you may  
In my evening you brew my coffee  
Always drinking opposite of me  
Reading my favorite magazine story  
It's always you  
You never go elsewhere  
You always come in my way

Farzana Aqib

## Lineage

Our heart defines  
Our life story  
The number of loves it registers on it  
The number of heart breaks it goes  
Though  
Even those fleeting affairs  
Or those unfaithful ones

Farzana Aqib

## **Shades of heart**

I wear black  
When I seek to paint my soul  
Into the colors of thine  
I wear white; when I place your name  
On my hands to send it above  
In the prayers of mine  
I wear green; when I want to dance  
With you  
On the rhythm of spring breeze  
Under the glow of sunshine  
I wear yellow, when I seek

To enhance my love quest  
To set my heart on the test  
I wear blue, when I want to get  
Dissolved in thy aura and  
In thy hue,  
Where no one Could find  
No one could see  
No one Could guess or clue

Farzana Aqib

## Little request

It's ok don't' meet  
It's ok don't' turn your wheel  
On my street,  
It's ok don't call  
For any reason big or small  
But don't' stop loving me  
Be close or stay afar  
Don't forget me, not at all

Farzana Aqib

## **A childhood love**

May God be our witness

Speak nothing but truth

My love was blind

And thy was filled

With magical youth

One was pride

Another was ruth

A long forgotten truth

One was wisdom

Another was milktooth

Farzana Aqib

## **From weed to flower**

Thine love

Made me beautiful

Your thoughts make me smile

Thine words made me feel wanted

Your eyes make me blossom

Thy dimpled smile

Made me feel admired

From a neglected weed

Into a daisy rose

Just one touch of love  
Was the only need  
That turned out to be a life  
Saver dose

Farzana Aqib

## Love knock

Wake up from your sleep  
You slept for a year  
Your were seen nowhere  
Wake up, your silent heart is  
Also in slumber  
Wake up it's from summer  
To December  
Autumn left the cease of heart  
Spring enters  
Open the door  
How much silence  
Thou edeavour

I can't wait, no more  
Just shun the gloom  
Emerge like moon  
Just be as you were  
Always, as you were before

Farzana Aqib

## Halt

Halt, turn back  
Step backwards  
Don't' leave  
Next December nest will be emptied  
Heart will be hollowed  
Bird will fly across the woods  
Learn to act like a lover should  
If you wont' stay,  
Then who would  
I thought feeling of love you  
understood

Farzana Aqib

## **Before I sleep**

Night is dark, thoughts are deep  
Like in the dense woods  
A katydid beep  
Volumes to write before I sleep  
All the memories all the hopes  
All the fears all the the reminiscent  
Crawl on me,  
Begin in my stratum  
To creep  
Volumes to write before I sleep

Farzana Aqib

## **Vow**

I will die a thousands times  
I will reborn a millions times  
Until I get you back  
On one right time

Farzana Aqib

## **You are all over here**

Oh soulmate

You are nowhere

Yet you whisper my name

On the lobe of my ear

You play with thine fingers

In my wayward hair

I can't see you anywhere here

But your touch scroll around my neck

On my back, holding my arm

Locking my wrist

Grab my waist with thy strong grip

Like a tight fist

You are nowhere  
Yet your eyes piercing deep down  
In my soul you intensely stare  
Ohh my soulmate  
You are nowhere  
But you rule my heart  
You command and dare  
You are all over here  
You are everywhere

Farzana Aqib

## Old soul

You are an old soul to love  
You are a young heart to hug  
But you are too machismo  
To cuddle  
Too stiff to bill and coo  
You are too shy to fondle  
You are too arrogant; to  
Snuggle down with thee  
Yet you are precious too  
It's pleasure to love you  
You are rare,

I always, I knew  
I have just gotten through  
You couldn't be love by everyone  
Yet I can tell who are you,  
Yes I love you  
Yes I do,  
From earth to blue  
You are among the chosen few

Farzana Aqib

## **Confusion**

You never loved me

Or you loved me once

You loved me then

You love me know

You lied then

Or you lie now

Which facet of thee to be

Believed

Which façade of you is real

No dear, thine love are't clear

My old love is no more near  
I wonder  
You were then stranger  
Or you are now stranger

Farzana Aqib

## Untold

You will never show

You will go

Ohh no, ohh no

Thine love is precious

Don't do so

Don't kill our love

What is stuck on your tongue

What is hidden in thine heart

Please for once let me know

Farzana Aqib

## **Be stuck to love**

Don't let go of my hand  
Why don't you understand  
Once parted, won't meet again  
Follow your heart instinct  
Not the worldly command

Farzana Aqib

## **Don't judge**

Don't' go on my smile  
My dear pal;  
Don't judge my laughter  
There is a pain coming after,  
I say nothing  
When I want to say everything  
I smile a lot  
When I need to shut  
The pain of my heart  
I flutter around, I sing, I dance  
When gloom shackles my feet  
When I want my inner fear to defeat

When I laugh, I find my tears  
I often hide with my tactful craft  
When I sing, I feel my pain  
Like a lonely bird's call  
Don't go on my smile  
My dear pal:

Farzana Aqib

## **Come back**

I kept that one decision  
Pending on  
Mind compels move on  
Hearts says hold on  
Soul cries to mingle on  
Tell me how to harken back  
That one soulmate love  
Which had long gone

Farzana Aqib

## **Look into my eyes**

The thing I can't say

I write

The word I can't send

I sing

The message I can't convey

I place it on my lips

And smile

A wish I can't fulfill

I let go from my hands

As a prayer in sky

A love I want to show to thee

I reflect from my eyes  
For thou I hold one surprise  
Please come sometime  
To see into my eyes  
For eyes don't lie

Farzana Aqib

## Lyrics

My lyrics suck my pain  
My poetry don't let me turn insane  
I write what my tongue can't say  
When I miss you a lot  
I write a poem  
You know how many  
One hundred a day

Farzana Aqib

## **So much to say**

There is so much to say

But to who...

There are only walls

There are only frames

There are mere memories

No one is near

I am all in here

Let your voice sometimes

Travel through the air

To make me believe  
I had a friend before a while  
Who just lives at a few miles  
Who used to drink all my tears  
And lent me often all his smiles  
Thine reminiscing is not distant  
It was just in a near past  
Just close by

Farzana Aqib

## Let's go

Where shall we go

On the clouds

On the moon

Or stay on the earth

Don't' seek my consent

Hold my hand and commence

Be it a deserted land

Or a throne of the crescent

Farzana Aqib

## Regret

I am sitting like an overlooked  
Unread book form centuries  
In a shelve of your life  
Come someday  
Pick and read it  
It may remind you a forgotten  
Love story  
You may one day need it  
It may bring tears in thine eyes  
It may makes you feel sorry

Farzana Aqib

## **I won't let you forget**

You cant' forget me like this  
Not now, not then  
Not in the years that come  
My sonnets will make you miss me  
My lyrics will make you hum  
My poetry will make thy heart numb  
I will come out of my poetry books  
To make you believe I exist  
My love has a right on you  
Not too much,  
Yet some

Farzana Aqib

## **Court of hearts**

Everyone can live  
Without anyone  
Time tries to gulp every true love  
But heart never forgive  
It continues to lick old wounds  
No matter how much time goes by  
How much effort you give  
It always anchors you  
With the past  
It never again let you thrive

Farzana Aqib

## **Entitled**

It's only you  
Because no one else could dare;  
And given this right  
And made entitled to

Farzana Aqib

## Hang Fire

I am waiting for that  
One confession of love  
For that four digits word  
For that one whisper  
To be heard  
Where are you my twittering bird

Farzana Aqib

## Mark Time

Let me feel those eyelashes  
Let me touch thine cheeks  
Since thy last return,  
It's been many weeks  
I am feeling very lonely  
My soul is turned feeble and weak

Farzana Aqib

## **Stand By**

I can't write and read anymore  
The torrent of my eyes  
Blur my eyes  
And smudge the ink  
Why I am not the same  
As I used to be before

Farzana Aqib

## **Kick thy Heels**

So bitterly

My waiting is being prolonged

My desire for thee is lingering long

Don't' you know

In the whole wide world

To whom thine heart is belonged

Farzana Aqib

## Postulate

Stop inflicting more pain  
Shun your shell of pretence  
Outshout in the world,  
That thy love is true  
Yes you do  
Yes you love  
And it meant to who

Farzana Aqib

## **Sterling**

I shunned all the colours of life

I only wear one colour

And its' your

Ting of my true love

So white and pure

Farzana Aqib

## Genuine

I am what I am  
I am all myself  
I am a kind you perhaps  
Never seen or have been  
I am not a Russian queen  
Neither a fool nor a knave  
I am also not a slave  
I am something unusual  
I am like a wafted air  
Always their yet unseen  
I am only one piece  
As real as nature made  
I have no tags to carry  
I have no colours to fade

Blue red or baig  
Nothing comes up to my taste  
I am crystal  
I am water  
I am sea, I am lake  
I am all myself  
Not a reflection of anybody else  
Meet me when you shun thine pride  
Meet me when thy ego evades  
Meet me when you are just thyself  
Not a reflection of somebody else

Farzana Aqib

## **Be calm love is descending**

Stay humble

And quite

Pave all the ways

Pick thorns and weeds

Prickles and spikes

The palanquin of love is

About to arrive

Love is a divine deity

Show all the honour, it needs

Sprinkle all the earthly scents

Grow all the flowers bearing plants  
Fruit laden trees  
Scatter all the exotic heavenly seeds  
Love is about to disembark  
Lower the pitch of your voice  
Calm the beats of your heart  
Be submissive and meek  
Be deferential  
For it's essential  
It's the demand of the hearts  
Love owns this credential  
Only this way love stays  
Only this way love succeed

Farzana Aqib

## **Don't give love a name**

Don't give titles to love

Don't give it a name

Don't make it segregate

Don't make it lame

Let it run like a free Stalin

Don't try on it to tame

Love has no group

No country

No cast and creed

No borders, no mountains,

No terrain

Farzanaaqib

It's only love you may believe  
It has no mother, no father  
No family no clan  
It needs heart to live  
No wealth, no fame  
It's only love don't blame  
In every façade it looks the same  
Don't give it a name  
It has no lineage, no blood  
It is only love

Farzana Aqib

## **Save my love**

The desolate heart

The crumbling soul

The crippling love

A dilapidated dream

A dying hope

May hiccup to life again

May breathe to live afresh

My beloved rush

Don't let this word to demolish

This empire of heart a again  
I can't fight alone  
I am vigour, I am strong  
How long  
I will pretend  
No one believes in love here  
No one Could ever understand  
Ahhh this world and its men  
Don't let them write  
A death penalty  
To this naïve love  
With their blood spitting old pen

Farzana Aqib

## **Price paid for laugh**

One little quest to laugh  
Made me cry rivers of tears  
It was much easier to die  
Than without thee  
A life of hundred years  
There hasn't been a day  
A night, or a moment spared  
When in the fond memories  
You didn't appear  
It's all the same

You dwell far or near  
You never leave  
You eventually live in my heart  
It's quite fair  
You stay calm you don't talk  
Yet you send me message  
In the brisk air  
You are like a moon in sky  
Distantly very clear  
I am like two empty hands  
Toasting up a wish for thou  
Through my breath hissed prayers

Farzana Aqib

## **My reflection**

He is just like me

Like a mirror hung on my wall

Like my reflection staring back

Like a thirst I feel

Like my share of water

In one gasp

He is drinking in

Like my eyes setting a vision

Like his nights lives my dream

He is just like me  
My own shadow,  
My reflection  
My own well being,  
I am blind in his love  
And from his eyes  
In the eternal silence  
I am breathing,  
I am feeling,  
I am actually seeing

Farzana Aqib

## One

Despite all the worldly engagements  
Despite many happy situations  
I find bogie of my heart  
Halted on that one station  
O' moon of my brightest nights  
You are the only one  
Despite bartering the whole world  
I couldn't find thine replacement

Farzana Aqib

## **Sin**

Why I have to strife

My only sin is

I loved you,

And made you

Love of my life

Farzana Aqib

## **Cold lump of hearts**

Sometimes I am all yours  
My thoughts, my notions  
My conceptions  
Every thing begins from you  
And ends at you  
But then there are moonless nights  
Dense woods of darkness  
No birds no chirping  
No breath no heart  
Not me, not you

Every tick of time halts  
Nothing starts  
Only a space between earth and moon  
A silence so intangible  
Like a grave of my dead ardour  
The jungle of sadness  
Gnaw me harder  
And you exist no where  
Just an empty room of hollow soul  
And a beat less cold lump of heart  
And that witch-hunt and black craft  
My dead emotions lingers on and on,  
For many hours they don't part

Farzana Aqib

## Nostalgic

Sometimes pain is unbearable  
Sometimes I wish you were here  
Often I crave for that one warm stare  
That innocent nudge  
And angelic touch  
Sometimes alone I stand  
Trembling and unclear  
Only thinking of you my dear  
Wishing from behind  
Some closed doors  
You may someday appear  
Without you in the whole wide world

Who will love me that much  
Who will do so much care  
Will there be someone like you  
So pure so sincere  
Nay, never,  
Not a hundred miles near

Farzana Aqib

## **Burning**

Pull me hard  
Very tight with all your might  
Exhaust all the flames of  
Thine burning ecstasy  
Lite thy inner amber light  
In love everything is fair  
Every emotion is right  
Cling to my soul  
Till the dawn gulp this night  
May this moment never come again  
May it return, it might

Let's change the miseries of our hearts  
Let's change it's sad plight  
Let's drench our quest  
With the syrup of love dribbling  
delight

Farzana Aqib

## **Abundance**

One little piece of paper  
Is not enough  
One page of poetic narrative  
Won't worth  
Story of heart will be poured  
In bulk  
Pain of love needs to wrap  
The whole earth  
One sheet of paper won't pack

My endless mirth  
My heart cries through my pen  
Don't halt just spread  
What reminiscent it sent forth

Farzana Aqib

## Eve

I am not complete without you  
Make me complete  
Don't let me fall; o' love  
Make me stand on my feet  
This heart deserves all the honour  
All the queenly treat  
Without any ticks or deceit  
The wine of love is passing through  
Drop by drop in my throat  
And I'm tasting my

Fingers licking treat  
Let me eat all the gifts of heaven  
Sour and sweet  
All the fruit on the trees  
But not the one  
Forbidden for love  
In the line of Adam and Eve  
Be it apple or a grain of wheat  
Hold my hand wait and see  
After being kicked  
From the heaven  
Where two out of place  
Souls will meet

Farzana Aqib

## Spark

Oh love change this attire of  
Long enthralled gloom  
Love never always destined to doom  
Don't' assume  
Lite up a candle  
In the darkest room  
May hundreds of glow worms  
Follow the path  
May this little spark set a trend  
May the stardust descend

From the heaven  
To dazzle up  
A long forgotten love tomb  
May the broken feathers of soul  
Grow into a plume

Farzana Aqib

## Reward

Tale of a naïve girl  
She love what may come  
What was sent and destined  
She loved the silver moon light  
And wore the Gold of sunshine  
Drank the potion of a saintly love  
Carried a heart which never judged  
She gave the robber all her assets  
She forgave her assassin  
And never question  
Today she stands

At the pinnacle of the heavenly peak  
With a heart full of peace  
A divine commune at her access  
She is riches among all  
She is the queen of her God

Farzana Aqib

## **Mystery**

Be silent

Let your eyes speak

Unsaid is always magical

And hypnosis of eyes is always fatal

Farzana Aqib

## **Fortune**

Treasures of pain are abundant  
So our the riches of happiness  
Choice is yours  
Which fortune you cherish the most

Farzana Aqib

## **My tag line**

Your eyes committed the crime  
And thine heart reverted  
Your soul trying to erase this story  
But your eyes are taking time  
They still carry my tag line  
That you once loved somebody  
That's may be' me  
Or someone just like me

Farzana Aqib

## **My moon is asleep**

My moon I asleep

I once sung the celestial lullabies

Now dawn is up on the eastern sky

And my nights left long ago

Wake up my love

Day is half gone

So is my hope

Farzana Aqib

## **New life**

Kill me with the magic

Wand of your love

Give me a new life

Like the earth wears a green drape

After the invasion of autumn

Farzana Aqib

## Denial

A piece of you love

Left in my heart

Don't' ask

I will not return

I had gulped it all

Farzanaaqib

## Example

First you show me  
How you will forget  
All my love without no regret  
Then I will follow your footstep  
I will copy all your tact  
I will do exactly  
As you wish me to act

Farzana Aqib
