Reviews

Dr. Kathy Adam (Literally Critic/Writer)

Many of the spiritual poems by Poetess Farzana Aqib have always been a favorite of mine, because not only does it express a covenant between God and Man, it is also an important religious concept, in the remembrance of God, our Creator.

A Covenant

"Set me as a seal over your Heart as a seal upon your arm. "For love is as strong as death, its jealousy and unyielding as the grave, it burns like blazing fire, like a mighty flame."

Solomon 8:6

Song of Solomon

Dr. Kathy Adam (Literally Critic/Writer)

The simple, but eloquent Poems of Mystical Love, written by Poetess Farzana Aqib, consist of her personal poetic expressions of Love, Hope and Passion, that serve to readers of her Poetry, as a mirror that acts to reflect the Beauty, Passion and Love of not only their own loveky Souls... but also the beautiful Soul of Farzana Aqib.

Nikki Arifniey, (Poetess from Malaysia)

Farzana Aqib's poetry is a deep, spiritual depicting the relationship between Man and the Almighty and poetess Farzana Aqib quest to win and earn the love of Allah by being humble and submissive to His greatness, tests and trials on Earth:

"May be one day I will learn what is love.

It's a journey of mountains and oceans

It's a dip into a rain and draught

It's a mourn of the nightingale

It's a sound of morning dove.

As Allah has promised in the Holy Quran:

"If you constantly remember Allah, Allah will show you signs that He is remembering you -"

So remember me, I shall remember you."

(Quran 2: 152)

Her poems portrays her remembrance of Him and His greatness.

The poetess hopes to win His love in lines:

"May Be one day I will rise above.

May Be one day

I will earn Your love."

Nikki Arifniey, (Poetess from Malaysia)

"Lay the heart open.

All the myth unroll

See what's carved on the palm.

Open up the fist don't resist."

Here in her poem Farzana AQIB speaks of myth in the context of finding your own connection with the Divine - having your own experience - finding your truth of the transcendent nature of your own being.

One way perhaps to lead a happy and flexible life on the right path. Live from the truth of your own experience rather than from the retelling of the experiences of others.

Authenticity arises from the ability to use the power of choice in a way that affirms your vision for your life.

In each moment, through each choice, you unfold your own myth.

identify your unique understanding of self.

Thus eventually you would be able to:

" Fly over the clouds

To see the road straight and clear."

You now are able to overcome obstacles in life your own way with the assistance of the Divine.

Farzana Aqib's poetry is a roadmap for humanity:

Salma Tahir

Farzana aqib poetry has a way of expressing the inexpressible and exposing human nature through musical rhythms, vivid imagery, and powerful metaphors. As a celebrated female poet ,she has used her voice to be a catalyst for

social change. Her countless volumes of poetry written deserve our praise and adoration. Let me quote these verses by Maya Angelou in her honour:

“When you see me passing,
It ought to make you proud.

I say,

It’s in the click of my heels,

The bend of my hair,

the palm of my hand,

The need for my care.

’Cause I’m a woman

Phenomenally.

Phenomenal woman,

That’s me.”

Zubair Durani(Literally Critic/Writer)

Some of farzana Aqib’s mystical poems

Give me Goosebumps.

Feeling as if I'm with Lord.

A forgotten love

*Let me take out our
Forgotten love
From the closest
Let me dust it off
And spread it in the
Bright sunlight
To dry the moist it soaked
From the eyes
Let me make it wearable again
Let me feel it against my chest
And brush off all the stains*

*Let me dye it with a nuance
Let me press it with your warmth
Let's restore it chic and shine
To make it appear invigorating
You wear jacket
I wear scarf
Let's share it half
Let's wear it from
Monday to Sunday
Let it carry
The hue of a forgotten love
For it will turn into our skin
One day*

Farzana Aqib

A mirror reflection

*In every face
I was looking for the
Happiest version of me
But in your eyes
I saw the
Mirror reflection of my
Secretive saddest story
And I chose you
Among all others
Thinking we both needing
Each other the most*

Farzana Aqib

Circus

*This world is a circus
Set by a great ringmaster
And we all act
As it's acrobats
As trapezes' or unicyclists
There hung on the doors
A long list of feats
Some are magicians
Some are hoopers
Many are tightrope walker
Some are genuine
Some are stalkers*

*Fewer are jugglers
Most are strugglers
And then dance is must
We all are dancers
Dancing on the ringmaster's
puppets strings
inside the ring
he makes us jump
he pulls up to fling
he taught us acts
he made us perform
he gives us audience
then send us applause
he inducts some hooters
to give us a pause
we may deceit spectators*

*But dare not cheating with creator
act as character
not as director
master knows all
he points our flows
he demands all honesty
no intrigue, no cleverly
if he rewards bow your head
if he snatch no complaints
you will get one day
your rightful compliment
he chooses one leader
and ask us to follow
respect his decision
show thou guts
never act shallow*

*Nothing is hidden
From the eyes of the master
you halt in the journey
you may speed faster
In one blink of eyes
and you lose your fight
rope is tight
And audience is aghast
you trip from the top
You lose your class
Trapeze of circus
Is made statistic
Spinning or swinging
Double or triple
Solo or flying
Your performance is monitored*

*Behind each single point
Are hidden multiple tactics
Show no disrespect and any regrets
So act as you are asked
Never play smart
Lord of the ring
Or master of the ring
Hundreds names of
One supremacy
Revert and reverse
It's end up at the single signage
The master of the universe*

Farzana Aqib

Divinely whisper

They asked!

Is there any God

I said yes!

They say how do you know

I say! He makes me write!

They say what do you write!

I say what I was, asked for!

Farzana Aqib

Give life to the earth

*One tiny spark burns
The whole jungle
Along with many nests
And few tiny drops of
Rain stay on the
Leaves to satiate the
Thirst of many birds
Be a life supporter
And not a life snatcher
Control your inner fire
And be a sparkling stream
That flows from the pinnacles
To the foot of the mountain
To give life to the earth*

Farzana Aqib

Death

*I must forget you
In order to live;
But then I will die
Hundred lives until I
Actually die!*

FarzanaAqib

Those eyes

Uff those eyes

Black enchanting eyes

His eyes took my

Breath away

All my words flung in the air

All my unsaid sunk inside

Before touching the

Tip of tongue

Ufff those eyes

Black enchanting eyes

Pulled my soul out of its cage

Like a snake-

Charmer's fluting

Spells the snakes for a chase

*Ufff those eyes
Black enchanting eyes
Like a witchcraft
Like a black magic
Chewed my heart
Munched my bones
Ufff those black
Draconian eyes
Sucked my blood
To a hollowed void
Now a black viscous
Runs in my veins
After draining me to drain
His eyes suddenly
Lost is gleam
Like a fire extinguishing*

*After a torrent rain
Its hue is turned red
As blood
And my life is left
Pale and dead*

Farzana Aqib

The ugliest distance of love

*Distance hurts
But makes the
Spherical façade
More grandeur
Moon looks the only artistry
Of the sky from afar
Stars appear more winsome
In the black blue yonder
Pinnacles look splendidous
In the horizon
Interspaces makes
The things
Appear picturesquely
Yet only a love turns out
To be the most ugliest
At the distance*

Farzana Aqib

Another day

One more day

Gone in the name of love

One more tear dried

On the soul crust!

Farzana Aqib

Don't forget how He left

*Ohh my dear self
Don't forget how he left
He may come someday
He may regret
Don't dare forget
How the left
A broken mirror
You repaired
Still looks ugliest
Once heart get tainted
Nothing removes its rust
Ohh dear self
Don't feel fragile*

*Be robust
Don't forget how he left
Give your forgiveness
Offer your sympathy
But never let your heart
To do over just
Don't' forget how he left
Once betrayed
Always mistrust
Once learnt a lesson
Remember you must
All the misery, all the pain
Will get buried
Under the time dust
Yet don't forget
How he left!*

Farzana Aqib

Strength

Spark blinks and disappears

A tiny drop dribbles

And stays

To be calm is powerful

To be fierce is fragile

Farzana Aqib

A strangest dream

Last night I had a strangest dream

I dreamt I was drowning

I felt I am suffocating

I screamed for I was being

Strangulated

I struggled for

I was hurled to a black cave,

I cried for I was being deceived

But then someone jolted me

To wake up, I saw

All the jewels and troves

Placed all around me

Hundreds of thousands of books

*Oozing streaming knowledge
And their jackets
Carrying my name
Such healing gift
After terrible nightmares!
It was a dream so vivid
So close to real!
But why my body is browsed
Why my neck has a blue
Strangulation mark
If it was a dream
Then who tortured me
When I was asleep:*

Farzana Aqib

Quote

*Time is a concealer
Not the healer!*

FarzanaAqib

Past is long gone

*My pocket is filled with
Sparkling coins
I am happy that today is mine
Whatever I lost yesterday
It's fine
Someone pickpocketed
Few of my dream
Deceived me with guilty crime
yet my hands are filled
With the multiple
Treasures of divine
I am happy that today is mine
And tomorrow will certainly*

Bring another

*Happy treaty to sign
Hope is still gliding
Up till the skyline
And lost rusty dismays are
Emerging on the skies to reshine
I am happy that
Today is given to me
And tomorrow is certainly
Gonna be mine
What was the past name
And address I disown the memory
All the lost baggage it arrives
I am surely gonna decline
I am happy that today is mine
Past is long gone
I need not to define*

Farzana Aqib

Unsaid

*Unsaid must be said
Before you get
Buried under the
Load of your inner
Suffocation*

Farzana Aqib

Power of love

*One ordinary heart
Turns so powerful
When in love, that it's
Capable of gulping
Someone's whole universe*

Farzana Aqib

One way

Take it or grab it

Love has no other option

Farzana Aqib

Replica

*Thou love had
Robbed my reality
And made me wear
My fake replica*

Farzana Aqib

Self Robbery

*I knew you won't be mine
Yet I felt like deceiving myself
Sometimes self robbery is
The biggest, long denied gift
We give to ourselves*

Farzana Aqib

Ointment

*Our love made me stand on
The chilled marble slab,
And removed all the
Burning desert sand from
Underneath my bare feet*

Farzana Aqib

Love genes

*His love genes were way
Too powerful than mine,
That It is converted my aura
Into him, now people easily
Catch him sitting inside me;*

Farzana Aqib

One word

*I still miss you, but won't
Tell you!*

Farzana Aqib

Will you come fast

*I came before you
So I am in rush
I am anxious that
My waiting is long
And you came after me
You are untired and calm
My blusters are
Bigger than your quest
I need to sit down
Under a banyan tree
And take some rest*

Will you come with

*Me on my request
Let's leave the long queue
Of greedy desires
And unrealistic lust
And live only
What heart suggest
On the love behest*

Farzana Aqib

Sun is shone

*I woke up this morning and
Smiled in my mirror
After a thousand days
I opened the windows and
Gulped the sip of the air
I wore the scent of
The Garden's blossom
I winked at the morning rays
I felt the music of rustling leaves
And sining of the humming birds
After hundred days
I felt myself
After fifty weeks
I pampered me*

*I made myself a morning tea
I climbed up to the stree
I ran down on my feet
I embraced the nature
And it's glamour
Ohh my God I am still alive
Let me shout and clamour
Let me shake all the hiccups
And stammer
Congrats to my dear self
You jumped out of the shelf
Welcome back home
After long dark spells
Day is brighter
And sun is shone*

Farzana Aqib

Smile

*I will not cry that it's over
Your love was a precious gift
I will always smile
That it happened*

Farzana Aqib

Voodoo

*I didn't believe in voodoo
Until my soul was made
Clung to another soul
And my heart was made
Enslaved to a stranger's heart
I instantly killed my heart
Inside my chest
For I can't live with a witchcraft*

Farzana Aqib

Naked

*I am shedding
Colors of love
My soul is being
Naked!
Please get me
Another rope
To tie my shattered heart
In some binding hope*

Farzana Aqib

Shot of love

*That little shot of your love
Was so intoxicating,
That it will stay in my
Blood for the rest of my days*

Farzana Aqib

Never give up

Never give up

For life emerges

After long dark spell of night.

You turn all black

In the cavernous of coal

When you capture a diamond

The ugly stinky ponds

Gives birth to the tulips

Life is a recycling hub

Produce from the garbage

What you may

A white sheet of paper

To rewrite your destiny

*Or a tissue paper
To clean your tears
Life is in your pocket
And not elsewhere
Never give up
Pleasure is always wrapped
Inside the misery
Black soil seems plain
But it erupts the colors of the life
Your each hand has given
Power of five
Never give up in life
Rain send rainbows
And autumn send spring
Tear brings moon*

*Night melt in daylight
And pain into moonlight
Don't succumb just fight
Life gives you all the rights
Never give up in the life*

Farzana Aqib

Color me in your hue

*I am all fusion, a
Jumble of colors
A doodling of lines
A muddle of sketches,
Complete me with
The one sketch, with
One color and one
Hue,
And that must Be of your love
And reflection of you*

Farzana Aqib

I hate Farewells

*I hate farewells
I can't see goodbyes
I will turn my face
You may adieu
Don't look into my eyes
I can't wave
I can't say bye bye
Life journey is
Already too short
And in this brief journey
How many more stoppages
Will advent
How many came
And how many went

How many tickets to buy*

*Ho many faces will get off
How many will leave midway
How many new will arrive
And God knows who will
Disembark on subway
There are few happiness
And thousand dismay
One lost friend
Takes one half
Another lost love will gulp you all
A train of life is full of death
It introduces you with
May hearts slaughters
Many other dispatches
Before the real deaths
Before turning to another passage*

Farzana Aqib

Time is killer

Time is killer

In disguise of a healer

It takes away all your reminiscent

All your achieved dreams

It takes away

All those loves you once believed

It fades away all those faces

You once adored

It hides away the title of your story

Under the deep coating of its dust

It distorts all the facts

It makes you regret

Your true feelings

Your nostalgic sunset

Your gifts of heart

It falsely proves

Your first instinct,

It straight away refutes

It makes you believe

Your doomed love was a cheat

It turns the tide

It makes a day

A nightmare

And a nightmare into a

Glorious fair

It closes all the openings

All the past keyholes

As some windows into

*The hostage potholes
Past is always not dark
Lost love is always not unfaithful
Adorable faces were
Always not monstrous
Sometimes life strangely acts
And shows the weirdest facts
It makes a saint
Appears as the ugliest deceit
And a deceit as a
Righteous monk
Time is not a healer
It's a killer
It changes the whole
Mechanism of life*

*It recycles the facts
Into its own belief system
It converts a beautiful love story
Into a villainy episode
It distorts the celebrated past
Into the eyes of the future
To prove it's domain in the law
As some triumphant
Over the brain
As some defendant
Of the heart*

Farzana Aqib

Respect

Sunlight is always one sided

Rain is also one way

Siege could be one sided

So is the surrender

When wars are waged

Envy can be one heart aching

So are the prayers

Favor can be biased

Cheat can be partial

Streams also flow ones sided

So are the love affairs

*It often happens in one heart
And never often reciprocate
But respect can't be one sides
You have to earn it both ways
Respect needs reciprocation
Respect needs adoration
Respect goes parallel
Respect is always equal*

Farzana Aqib

Shades of love

Be my blusher stay on my cheeks

So I could blush away

When you see

Be the color of my lips so

I could smile

Be my powder and stay a while

Be my paint on the nails

So I could hold thy hand

And wear thine love ring

Be my scent and cling

But never be the Kohl of my eyes

It might spread out one day

When you leave

Which you may

I know

You don't have to say

Farzana Aqib

I can feel you

I see your smile in my

Breakfast cookies

I taste you in my

Morning tea

You are up in your bed

I got my hint form the breeze

I can feel you my love

Even if thou live across the sea

Farzana Aqib

Miracle of pain

*It was her pain that made
Her beautiful,
Just as salt and caramel
Together gives
More exotic taste*

Farzana Aqib

One desire

*I need an endless sky
Sunshine and you!*

Farzana Aqib

Don't forget me

*Don't forget me,
Let my remembrance be there
On the shelf of
Your stories collection,
It won't take much place,
One day
You might need a reference
From the past,
If you may compile your
Own love story*

Farzana Aqib

Piquant of love

Burn in me like a

Fragrant candle

And suck my flame

Inside you

I want you to taste

My love piquant

I want you to be more redolent

Farzana Aqib

Fifty names of love

I wish you were born
From my womb
I wish you played in my laps
I would have named you
After some brightest star or sun
I wish you were my son
If not, then I wish
You were just someone
A random link
A bosom friend,
A close buddy,

Out of millions, one

For some gossip, for some fun
Life would have had
Some other meaning
Some other errands to run

Farzana Aqib

Sacristy of love

*Can I borrow your one tight hug;
Today I am in a dire need of it
Promise I will return it in hundreds!*

Farzana Aqib

Glaze of love

*Tears made her eye more beautiful,
Just as morning dew
Makes a flower look
More glazed and sparkling:*

Farzana Aqib

Shades of gone love

*Night gulps your remembrance
And day writes it on the walls
I keep erasing
And washing it everyday
This hide and seek of lost love
Is like a sun and cloud tug war
I want to cover the nostalgia
Behind the shadows of the night
And day again
Paint it all around*

The last hiccups of

*The yesterday
Are the signs of recuperation
I think soon I will digest
This bitter pill of thy
Unrequited love!*

Farzana Aqib

Rendezvous

*Today I had a rendezvous
With my heart I told him
You needed to learn the art of hatred
I told him!
You are ruthlessly soft
And callously loving,
You are a failure,
You can't change your
Nature no matter what!
I told to the naïve,
When a gold is too pure*

It can't be

*Mould into any shape,
It is needed to add
Some impurities into it
In order to get it harder,
And it nodded at me
With a stranger alchemy!
And with a deep empathy*

Farzana Aqib

I am a fusion

*I am all fusion, a
Jumble of colours, a
Doodling of lines
A muddle of sketches
Completes me
With the one sketch,
With one stroke
And one hue,
That must be the
Color of your love
And reflection of you!*

Farzana Aqib

A hundred paradise

*Love makes the hearts the
Most fertile land,
Where butterflies flutter in the day;
And light worms gleam in the night!
Flowers blossom on every Tree,
Buds smiles on every limb.
Love brings heavens on the earth,
It might been the reason
That Adam and Eve had
Purposely lost one
Paradise, to create
Hundreds on earth*

Farzana Aqib

Let's cross all the lines

*Let's not draw a line
Let's cross all the lines
Let's erase all the barrage
Let's build a land of hearts
Come dwell in my abode
Let me live in your soul
Let's not draw a line
Let's erase all the lines
Borrow my heart
Use my fondles
Barter your kiss
With my fondness*

Exchange your reality

*Buy my dream
Your oceans your stream
A love production on stream
Relocate your world of love
From earth to divine
Don't draw a line
Let's cross all the lines
Bow to the love
In reverence of mine
In honor of thine
Let's build a temple
Come make a mosque
Place brick of a church
Lay foundations of shrine
In the land of hearts*

Love is a religion

*Love is a monarch
Love is the only sign
Let's not draw a line
Let's cross all the lines*

Farzana Aqib

I am cheating on you

I feel I am cheating on you

Even in the arms of night

When in sleep

In the darkest hue

I feel I am cheating on you

When a morning breeze

Kiss my hair

And wraps me

In its morning blue

I feel I am cheating on you

When a sun ray all the noon

Fix its light on my gaze

Make me blink and shy away

Clings to me like a glue

I feel I am cheating on you

*When in the evening
Moonlight haze
Gleams and sparks on my face
And I get drenched
With the drops of dew
I feel I am cheating on you
When a moon smiles at me
And midnight starts wink at me
I shiver and shudder
My goosebumps stands
I cover my face with my hands
A guilt makes me pale and blue
I feel I am cheating on you*

Farzana Aqib

Hurry

*Don't let the hope die,
Come before our love
Rust away to sky!*

Farzana Aqib

A drought soul

*A man who never tasted
The flavors of the love,
Has the most drought soul!*

Farzana Aqib

Alas

*An unloved soul, is the
Most un emphatic mortal*

Farzana Aqib

Paradise lost

*A smile on the face of
A loving heart
Opens up the doors of the
Seven heavens; yet
A single tear of the
Loving eyes may
Cause a paradise lost:*

Farzana Aqib

Surrender of love

*Love subdues egos,
Iblis was rather
Never loved
That's why his pride
Made him
Not to bow,
And his unloving
Heart made him deny
His God's commands.
Love makes you bow
In reverence for love,
Whether it's a
Humanly altar or a divinely door!*

Farzana Aqib

Subterfuge

All the subterfuge

Jiggery-pokery and con

White lies

Blackmails

Hurts and pain

Nothing scares true love

Nothing makes it restrain

Legitimate or forbidden

Love lives above the stinking

Titling above the dirty

Muddling above the narrow

Human brain

Nothing scares true love

*No barricades
Make it refrain.
Love needs no
Wordily titles
No humanly given names*

Farzana Aqib

Brutal love

I am brutally soft

But I roar in the silence

I am ruthlessly calm

But I talk to the mirrors

I commune to the moon

I am nobody's buddy

But awfully mine

I am deprived like a bagger

Yet the whole earth

I own

I am empty like a space

I am filled like an ocean

I am nameless to many

*Yet spherically known
I am called mortal
I am called human
Who am I
Whom I belong
Among many a folks
Why I feel alone
My soul pinches me
My heart asks me often
I am an unsolved myth
I am a quest so lingering
And still lingering on*

Farzana Aqib

Silence

*I miss you,
Do I need to tell you,
Don't your heart
Skips it's beat!
When I cry.*

Farzana Aqib

Ghost of love

*There are many
Abodes on the earth
Where no one lives
Yet ghost of love
Night walks
In the nights wee hours
In the abandonments of souls'
To harken back
A lost promise in a
Memory flash
That someday
Someone might comeback!*

Farzana Aqib

Drought

*A heart without love, is a
Land without water!*

Farzana Aqib

Prick of love

A love that feels rosy, wilts fast

A love that pricks often

Stayed last

Farzana Aqib

Addiction

Love is the deadliest addiction;

Life leaves first

It leaves after

Farzana Aqib

Lead of love

Once a love takes lead

Heart forever bleeds

Farzana Aqib

*Once transpired love
Never expired!*

Farzana Aqib

Gush

*Go with the color of love
Let the heart bleed!*

Farzana Aqib

Robbery

*Love gives life
But takes away all
The dreams!*

Farzana Aqib

Fear

*If love is paradise
Then it's destined to be lost*

Farzana Aqib

Reality

*Love grips like a creeper
And pricks like a cactus*

Farzana Aqib

Companion

*Love is the biggest
Enemy of hearts
But the best
Companion of life
It never bids goodbye
Until life completes its task*

Farzana Aqib

Nirvana of love

*At the altar of the love
Life shoots itself
And birds make its nest
And butterflies drowse
And nestle
Beehives are made in abundance
Anthills emerge fast
Love gives reason to life
Sow love in a desert
And life itself will crawl
Towards there*

Farzana Aqib

Misinterpretation

One silence

Gives one million interpretations

And one word spoken

Kills one million meaning

Farzana Aqib

Destiny

*Open your fist and see
My name is written on you palms!
I told you, many a times
You and me
Are in each other's destiny*

Farzana Aqib

Better luck next time

Darkness is making its trend

Trying to be close

To become my friend

I can't let it in,

I can't make it frank

My bestie is

The ray of morning glory

My beloved is

A sunshine broad heaven

My home is adorned

With my jovial mosaic

My gardens are brimming

With my dazzling butterfly

*I don't need any new visitant
I wouldn't let in any other duppy
I will never be trapped
In the darkest maw
I have my own rainbow
I have no place
For any new friend
I have my own best buddies
My dreams, my books,
My reminiscing album
I am happy with them
Tell darkness no time for
Thine
Better luck
Next time*

FarzanaAqib

Shortcut

*Can you find your
Way to my heart
There are shortcuts
That reach fast!*

Farzana Aqib

Warning

*You are my soul scanner,
Don't swipe any other
Heart on it!*

Farzana Aqib

Let's live once again

Let's live once again

Let's forget all the pain

Live above the worldly realms

Forgot about all the loss

All the gain

Let's live once again

Emerge from the

Inner quicksand

Glide on the sky

Twirl on land

Don't live in the mare's nest

Shun quandary

*Life is a stage
Play best pirouette
Sun will rise
Moon will shine
Stars will smile
Dance with the butterflies
And in the rain
Let's live once again*

Farzana Aqib

Brown girl

Brown girl

I envy thy beauty

Your chocolate

Syrupy skin

Your gleaming black eyes

Your hair so wild

Like a breeze of desert

On the face of sphere

You are the best

Brown girl

Your hue so crimsoned

Your vista like sunset

*Your charisma dark
As dust
I envy your beauty
You are honey
Chocolate blend
New age is your
You are tomorrow's trend*

Farzana Aqib

Long gone rains

I wish hearts were

Made like moonflowers

Rare and exotic

Saintly yet erotic

One dies another emerges

Short lived, sporadic

And classic

Simple and basic

Scantily blossomed

Alone in the night

*Smile through the moonlight
And dies before the
Morning glory advent
Before sky get vagrant
And turns hostile
Change it's warmth
Becomes hot and fiery
When one bloom leaves
Another bud arrives
No shedding tears
No lingering regret
Total drastic impact
I wish my heart was like that
A moonflower's shrubbery
White and angelic
As moonlight chic*

*Calm and quite
Aloof and smiling
Playing on the whims of
Midnight breeze
Dancing with the rhythmic
Twilight wheeze
Lived shorter and happiest
Through thick and thin
Yet, on the flip side,
My heart is like a
Century old cactus
It learns no alchemy,
It masters no tactics
It burns like an old bonfire*

*To bid farewell to a
Longing goodbye
Yet not willing to replace
And shun its chronicle
It carry thorny wounds
And ugly old days
It still dwells somewhere
Far from here
Like a hard and sad fanatic
Living timelessly
And suffering immensely
Erect amidst the desert
Alone in a remembrance
Burning scorching and fiercely
Hard and toughest decently*

*Waiting for that
Unlikely blossom
One waft of breeze
One shower of water
Which will probably never occur
Long gone rains
Will never return*

Farzana Aqib

You can't go away

You can't go away

I dare say

Try if you may!

You pretend you don't care

But one day you will comeback

I rest my case

One day all the pretence

All the denial

You will face, I rest my case

One day you will comeback

With meteoric pace

*Riding on the night palanquin
Peeping through the wail of sky
Reluctantly shy
With pretending machismo
Until the forthright
Full moon night
You will come
With a full smile
Knocking on my window pane
Asking may I come in mam!
Faster and soon
I will pull thou in my room
Like a new moon
Born on the bed palm
Wrapped in cosmic cradle
From fourteen days*

*Ethereal travel
I will ask no question
No query, no annoyance
For moon always takes
The full hunt,
Vanishes often
In the darkest skies
But at the end
Comes back
To the old Groove of palm
Creeping slowly
Silent and calm
For here it finds
A well of love
To jump inside*

*Any fully sink
For here it has
It's finest moment
It's last chance
Of forty wink*

Farzana Aqib

***Why my heart is
different form others***

*Why my heart is
Different from others
Is it non organic
Or came from some alien world
Why it's so emphaetic
Why it's so cosmic
Why it don't let go the pain
Why it lick wounds of its own
Why it forgives my stabber
Why it rewards my assassin
Is my heart has no hard vain
Why it has no vengeance*

*And other strain
It derives the most pleasure
When it's hurt and pains
It celebrates the utmost
Where there is no gain
When it wins it tells none
When it's defeated
It has more fun
I wonder whether
It is made of glue or rubber
Why my hear tis different
From others
It fertilise the barren moments
It give water to rainy eyes
It baptize the killer in wine*

*Uphold the vagrant as deity of divine
It ignores the saints
And embrace the baggers
Why my heart is different from others
It remembers the slayer
In his prayer
It hears the hatred
And turns more tender
It reaches there
Why my heart is
Different from others*

Farzana Aqib

Are you replaced

*Are you replaced
Where is my real one
I know him better than anyone
Thy soul is fake
With the old same face
Are you replaced
Where is my hero inamorato
Where is my genuine to the core
In the while wider sphere
That one soul was only mine
That was thine
Besides that feel*

*In the radiance of the heart
No one could dare step in
No one could dare
Come nearing
An inch or more
Thine love was the final pick
After thee
All doors are closed
Rest is hurled as
Useless crab stick*

Farzana Aqib

He is a master of tricks

*He is a master of tricks
He is not letting me die
Nor letting me live either
When I am parched
He dribbles a drop of love
When I bind hope
He blows all my candles
And abruptly flicks
Please tell me once
Your love is real one
or you mimics*

Farzana Aqib

It looks like the same

*There is a deep pang
In my heart
From last many days
I sought a name for this feel
Which I often had
I can't tell what it is
But it hurts really bad
I can't be named love
For a heart which
I had once
I had given thence*

*What is this new qualm
I can't sought it name
It's similar to a love
Though
It looks like the same
Let me try to sought
Let me have a Second thought*

Farzana Aqib

When I smiled from the eyes

I miss those few moments

When I smiled from

My eyes

When laughed from

My soul

I was sketchy

You made me whole

Do I miss you

Or your words

Or the telepathy of

Your eyes

*Which dared me to live
Which beacons me
To come out
Under the full starry sky
To glide and fly
You upheld the white flag
You guided me to the sunlight
You gave your best shot
Even if it was momentarily
Even if it was short*

Farzana Aqib

Where sky meets the horizon

Let's meet where sky meets

To horizon

And heart meets the soul

Sculpt your inner quest

And carve my outer

As in one

As in –whole

Farzana Aqib

Possession

*All the scattered colors
On the hands of an artist;
Reminded me the
Fate of a butterfly,
Whom we often
Catch by closing our fist
And later place it in a book!
Do all the beautiful
Things are meant to
Be possessed!*

Farzana Aqib

A tale so heavenly

*Your love sprouts all around me
On my head as chaplet
On my gown as corsage
On my waiste like nosegay
My aura is all tussie-mussie
Your love painted
My whole world rosy
Oh my darling
My heart turned lotus
My soul flooded daisy
My breath smells lily
Your love miracles turned
A parched wilted soul
A paradise on earth
A love so perfect
A tale so heavenly worth*

Farzana Aqib

Destiny Roar

How long;

You will choose to be silent

Destiny roars at the end!

Farzana Aqib

Reminder

*Thank you for
Reminding me
That I am still alive;
I can still love!*

Farzana Aqib

An urban legend

*There is nothing more romantic
In the whole wide world
Than to hold a cup of coffee
And think of your love
To write a new poem
To exalt him
To call him a rain
In a sonnet
To name him a rose
In a metaphor
To write his breath
As puff of cinnamon
To call his kiss*

*A caramel toffee
Write some more lines
While sipping your coffee
Name your love
As midnight moon
Make some analogy
In an anecdote
And at the gulp of
Its last slurp
When coffee cup
Will end up
He will astonishingly
Be emerged
By ink and pen
An urban legend*

Farzana Aqib

A soul treasure

*They say God
Rewards double
When thee put you
In some trouble
Your love was snatched
From my heart
And a gift of poetry turned triple
My naïve sweetheart
Have no idea
That I become wealthy
In the literary riches
Just by swapping
Love of your
Just in exchange of a heart
Which was my sole treasure*

Farzana Aqib

Knock

*Love can't be forced
It's a destiny;
It knocks your door*

Farzana Aqib

Stay

*Don't say;
But stay
Don't shy away
Love can't be said,
In only one way
Be in the game
Rather don't play!*

Farzana Aqib

Nothing needed more

*The night is dark always
The moon is brightest forever
One broken heart's gloom
Is enlightened by the other
Heart's boom
Be the moon of my nights
Tore the fabric of my sad soul
Make me to wear the
Drapery of your
Star studded love
My Eros my Emor
Besides your love
Nothing needed more*

Farzana Aqib

I heard the whisper

*I heard the whisper
I heard my ominous advice
"So now you have indeed a sorrow
But I will meet you again not once
May be twice or thrice
May it's be today or tomorrow
May it's be now or then
I will meet you in someone
Disguised in an other soul
Or in someone's sweetest smile
Peeping behind
From some stranger's eye
Masked up under another facade*

*You just have to listen
Thy inner whisper
You just have a look in every face
Your heart will find my trace*

Farzana Aqib

God

“No man shall take your Joy”

I am here beneath the earth

I am there above the sky

Farzana Aqib

Lesson

*Loving you taught
Me to love myself,
Your love reminded me
The long forgotten lesson
Thank you for
Teaching me
The art of living*

Farzana Aqib

Right

*What is mine
Will find me one day
Like a ray of sunshine
Enters into my room
And kiss me
Without a worldly permission
Or without any consent of thine*

Farzana Aqib

Defame

*My defame
And your fame
Just an inky game
My one move of the pen
My little praise of thy
Shall be the news of the day
So our story will
Remain clandestine
Like two hearts have no name
It will adopt another passage
It will go another way
It will remained
Confined in hearts
It will have a back alley*

Farzana Aqib

Reflection

Look into my eyes

No one sees what you see into it

Farzana Aqib

Jigsaw

*Souls never find each
Other accidentally
They are designed in heavens
Magnificently
Carved into a same mind set
And same size,
To just get well scrabbled.
And become the perfect missing
Jigsaws piece of each other's life*

Farzana Aqib

Doubt

What is stopping you

Your faith in me

Or your trust in you

Farzana Aqib

Your love is my life

*Every thought we hid
From the world is our own
Your love is my life
Even if you are long gone
We said a little
Yet to souls it's known
We buried our love
Into the hearts of our
Yet our eyes have all
Glamingly shown
Wait and see
The blossom of the love*

*In the heavenly gardens
The clouds are shunned
The light is shone
A butterfly is fluttering
A gardener is smiling
A shoot is popped
A bud is emerging
From the seed of love
Together we sown*

Farzana Aqib
