Dr. Kathy Adam (Literally Critic/Writer)

In farzana Aqib's poetry I see a deep analysis of life love and eternity, just like Rumi.

All through eternity

Beauty unveils His exquisite form

in the solitude of nothingness;

He holds a mirror to His Face

and beholds His own beauty.

he is the knower and the known,

the seer and the seen;

No eye but His own

has ever looked upon this Universe.

His every quality finds an expression:

Eternity becomes the verdant field of Time and

Space;

Love, the life-giving garden of this world.

Every branch and leaf and fruit

Reveals an aspect of His perfection-

They cypress give hint of His majesty,

The rose gives tidings of His beauty.

Whenever Beauty looks,

Love is also there;

Whenever beauty shows a rosy cheek

Love lights Her fire from that flame.
When beauty dwells in the dark folds of night
Love comes and finds a heart
entangled in tresses.
Beauty and Love are as body and soul.
Beauty is the mine, Love is the diamond.

They have together
since the beginning of time-
Side by side, step by step
Rumi

Nikki Arifniey, (Poetess from Malaysia)

Farzana Aqib's poem My Path to God depict's
Shams Tabrizi's life journey to find God:
" Why dont you plead to God
Wake up in the middle of the night
Get up and prostrate yourself twice
Need!
Put your face on the ground
And rain down tears.
The heart is greater than heaven
And the circling spheres
So why do constrict it with thoughts and
whispering doubts
Why should you make the pleasant world your
narrow prison?
Happy is the one whose eyes sleep
But whose heart does not sleep

Woe on the one whose eyes do not sleep
But whose heart does sleep
Do not grieve if the darkness becomes long
When the darkness becomes long after that
the brightness will be long
Lights are all friends of each other
Even if it be a thousand years
These words will reach those for whom they
are intended."

In her soul touching poem too poetess Farzana
Aqib describes vividly her own quest.

" I left my everything on earth my name, my
skin, my faith
...in the quest of my truth
In an endeavour to refresh my candour. " In her
own journey to seek her own self and her love
towards the Almighty:
"With no gospel, no sermon, no religion."
And nobody knows about this quest of hers.

Zubair Durani(Literally Critic/Writer)

Some of farzana Aqib's mystical poems
Give me Goosebumps.
Feeling as if I'm with Lord.

Salma Tahir

Farzana aqib poetry has a way of expressing the inexpressible and exposing human nature through musical rhythms, vivid imagery, and powerful metaphors. As a celebrated female poet, she has used her voice to be a catalyst for social change. Her countless volumes of poetry written deserve our praise and adoration. Let me quote these verses by Maya Angelou in her honour:

“When you see me passing,
It ought to make you proud.

I say,

It’s in the click of my heels,

The bend of my hair,

the palm of my hand,

The need for my care.

’Cause I’m a woman

Phenomenally.

Phenomenal woman,

That’s me.”

I wish

I wish I had lived with you a little more

I wish I had sung all my songs

With my soul drenched music

With my long heeled shoe

I had danced with you

I wish

I had felt the warmth of thine eyes

On my face

And nudge of your hand on my waist
You had gripped me tight
In thine embrace
I wish I swayed, I twist
I did vogue, and floss
I would have streamed
through airways
I has swung in your arm
With all my grace and charm
I would have felt never that warm
I would have clung to thy heart

I would have danced and danced
Till my last breath did the farewell
To make us apart

Farzan Aaqib

Second life of love

I knew

Your love was too good to be true

I never surrendered

To the will of my heart

How come I turned all into you

I knew,

You were my angel

Sent from the blue

If we will be given
A second lifetime
This story part two
Promise you will be mine
Promise you will do

Farzana Aqib

Court of God

I am waiting for the final verdict
For the fate of my love
I am waiting for the juror text
If justice is done or not
If I need to send my final plea
My last prayer
To the supreme majestic
To a judiciary next
To a my supreme court
To whom I worshiped

His miracle can do anything
Thou could make a princess
Love a frog Kermit
I know decisions coming from thou
Would be the best in my interest
And divine will descend
Its blessings
Upon it

Farzana Aqib

Greedy Love

Is your feast is done
Is your appetite full
You swallowed me in
Within one breathless pull
Tell me my love anaconda
How long you will live on my love
Is it fulfilling enough, or half
Or until you will have another crave
To taste another calf

Or your love hunger will hunt
Another meek deer
Or your lust will drool
For some young bull

Farzana Aqib

Stigma

Our love was like a fictional truth
A reality turned into
A make-believe Ruth
A fact became unreal
A love story appeared fabricated
The way it was deceitfully narrated
And you begun to doubt my intentions
Thine compassion died
In some vengeance
I begin to doubt thine love

How I felt, it's awful to mention
Evil eyes distorted all the facts
We ourselves forgotten
It was a true love in fact

Farzana Aqib

Victory

Where there wounds are
Rub them into heavenly stars
Deep down the soul
Make them feel, gleaming afar
Like some honour
Toasted in bar
Don't' hide
Always wear your scars
On your chest
For they will narrate

All the crusades,
All the fatigue of endless war
You fought
While standing on the spills
Of love and hate gore
Don't blink back thine tears
Just smile and roar
Like a triumphant czar
Look over thy shoulders and see
You have reached this much far

Farzana Aqib

Reap your dream

Let go

A love which couldn't grow

Reap and sweep all your dreams

A word "never" please don't sow

Let the rain play havoc

Let the flood wreak the boat

You don't' stop,

You just float with the flow

Farzana Aqib

Mighty love

When a heart is truly in love

It makes blunders

It takes risks

It becomes reckless

A keen heart trust the whole world

It never be frightened

Never turned hopeless

The atrocious love does it's job

In the game of hearts

None is spared or left painless

In the dense darkened woods of souls
Nights cast it witchy craft
Days bring hopes nevertheless
Love combat all the pains
More or less
A mighty love
Reins all stress
It brings unsuccessess to success

Farzana Aqib

Reward

From my pain
I will retrieve all my gain
I know after being outcast
In thy ove
I will never the same again
My burns will light in my soul
My inner fire will pave the way
For some lovelorn
And misplaced
As a victor you will always smile

On the skies of thine love game
As a victim I will be ablaze
In the line of love
Like cuckoo or insane
Thine insincerity does tricks
For the profits and the fame
My sincerity like a Dervish
Surrenders its will for its name
A thing you wear as crown
I discard it as a stain
I embrace all my failure
All my disdain
Without any complaint
Or a blame

Thine discarded forgotten path
Is my kingdom
And my walk of fame
Love never dies
It stays alive
Like some ruined dynasty
Like some discovered remains

Farzana Aqib

Question

They say everything
Comes back to you
Then why don't you;

Farzana Aqib

Rebirth of love

I loved you

Long before your birth

Long before

You were sent on earth

Long before

You had any heartfelt worth

Long before you learnt to love

Long before I realize what is love

Now you and me

We seek each other's,

Yes we both

Yet a distance of
A hundreds month
Standing between
As of million miles width
Or a trillion days yardstick
Either I was in hurry to come quick
Or you were delaying
To mark a decade with thine tick
Now our love is out of place
Out of time zone,
Away from our destined home
Let's retry in the next flight
To reembark
On the journey of life

Together when the time is right
Travel together from girth to girth
With our love so afresh
And hearts filled with
A new mirth

Farzana Aqib

Your eyes held so much love

Your eyes held so much love
That I felt your soul
I felt your intense desire for me
Now where to find those two lost eyes
Only they hold my quest
Only they have all the answers
Of my unknown
They carry all my dream

And all the reason of my pain
Where are those deep eyes
Where are those burning two flames

Farzana Aqib

Fear

Be my miracle, so to stay
Don't' be my destiny
For it often sways

Farzana Aqib

I wont' forget

If you can't love back

If you are moved on

Just stay for a while

Don't let me know

Until I play all my destiny cards

To leave your heart without any

Disregards

Without any regrets
Otherwise I will never move on
I won't be able to forget

Farzana Aqib

Trust

I know you are upset
And more hateful
I know you are suffering all the pain
All the stigma of being playful
You are feeling little disgraceful
But I know, which no one knows
You can be anything but unfaithful

Farzana Aqib

Intoxication of love

Did my love ever

Stir you baby

Did it ever drive you crazy

Yes or Maybe

Did you ever wake up in the nights

With shivering hands

All sadly gazing

And walking in the broad day light

Lost and hazy
Did you feel the toxin of love
In plain water and bed tea

Farzana Aqib

Compensation

Every time I fall on a door step

Every time a new horizon

is built ahead

Every time I bang on a closed door

Every time an open

gigantic river called me on its bed

Every time I cry

Every time a million stars

Wink at me with joy

Promising me the whole new world

Every time my destiny writer

Cut my old wings

Every time it grows anew
Before bidding me goodbye
So I could fly and only fly
So I could reach the seven sky
To chase the moon
And the stars
From more up from more high

Farzana Aqib

Pride

In your love
All my ego surrendered
And I let my worldly honor died
True love ask true sacrifice
But sky is a limit to thine pride
Pour your wine and drink
My inamorato
Thy machismo would always
Keep you egotistically tied

Farzana Aqib

Escapades

Dye me, tint me

Paint me

Cover me from head to toe

I don't' want to look the same

No more

I want to wear thine shades

Which stays on and on

And never fade

Oh my dyer create my ting
Different and rare
For once in life let me celebrate
My escapades

Farzana Aqib

Verses of love

The binding of hearts
Is inseparable,
Like a book of verses
You separate it page by page
Tear it piece into piece
Still each page or verse
Will carry it's story
You burn it all

But it will leave its mark
In the eyes of the reader
In the hands of its binder
And in the ink of its writer

Farzana Aqib

Brevity

So deep are the shadows
A dismal cavernous soul
A cave of his unplumbed eyes
A chasmic heart
A fathomless grey love story
I am all standing at the entrance
Of a yawning cave
Either pull me inside
Of your soul mystery
Or drag me back to

A world of my unfeigned love
I am lost in a complexity
You are becoming a master
Of my destiny
O' my beloved let me deluge
In thine inner chemistry
All fill me not with the hollow
Darkness of the soul
Calm me with an endless serenity
Life in short so is the love brevity

Farzana Aqib

Torrent

If love exists

If has to be given too much

Little is only leftover

Like a tiny drizzle

Neither good for growth

Not good for thirst

Farzana Aqib

Say it aloud

I would rather yell it
On the corner of the road
“I love you”
And you can play a trumpet
From your rooftop
“I love you back”
Instead of sulking inside
The cavernous cave of hearts
Say it aloud
Before life makes us apart

Farzana Aqib

Help

Feel a storm in my soul
O' my beloved,
My torrent is beyond control
My boat is sinking in my pain
My tears are pouring on and on
Pull me from the trickling hole
My love flames brunt me
In the whole

That ash of heart weighed massive
A dying love is heaving hiccups
Beneath a hundred tone
Grey dreams coal

Farzana Aqib

Parcel

Hello are you there
I know you are around
You are somewhere
Hello don't' hang on me
I know, you do no more care
Read my message
I wrote in the air
I left a memory on the chair
Thine closet is still having my smell
Pull it out from the rear

My shoes are still in the rack
My feet on the floor
Stamping naked and bare
My tooth brush is gurgling
On the sink
My tooth paste is exuding
Minty whiff
Put it back in the mug
Next to my hot water jug
Few strands of my hair still clung to
Your pillow
Pick them up and send me back
There are few moments
Still sleeping upstairs

Next to my favorite teddy bear
Listen for the last time
Make sure I am not overlooked
Forgotten anywhere
Not in your heart
Not in your home
You must get thy keys back
All vacate and clear
Please make last check
If my voice is not left
Hung on the four walls

I want my stuff complete and all
I want you to act
More honestly and fair

Farzana Aqib

Damp squib

Your silence

Made me forget my emotions

Your silence

Quaff word after words

All my confidence

Your silence

Made me conscience stricken

Your silence

Made me guilt ridden

As if loving you was a sin

Your silence
Made me sheepish and chagrin
This opaque silence of thine
Will bury your identity
And sanguine of mine
Your monic, vapid
Art of war,
Will lead us nowhere
But rather afar
Wake up wake up
Oh my diffident beloved,
Tear the silence and roar
Learn the typical
Of love and war
Of victory and damp squib

Tell me in this game of love
Besides being silent
What you did
So far

Farzana Aqib

Unforgettable love

Scar may fade one day

But moments will cling to heart

Forever and ever

Farzana Aqib

New address

Darling I can't touch thy
Scares and pain
I cant send healing and praying
You returned all my parcels
I heard thine old address is changed
I still cherish that love,
We shared before we estranged

Farzana Aqib

My countryman

Oh my darling countryman
Sow my love in your land
Pluck this harvest with thy hands
Don't pile me up like regrets
Grow the garden of my love
Reap me as your crop of summer
Taste me like your winter batch

I will grow like a birch
I will sing like a bird
Let me burgeon and expand
Ohh my darling countryman

Farzana Aqib

Waiting

I left half of my heart
In the past
At that very moment
When we were forced to apart
And half is saved for the future
When someday we will meet
To never part

Now my hollow body
Drags me everywhere
Looking for thee
To live again and restart

Farzana Aqib

A rebirth of a dream

Let's join our broken pieces
Let that dying love never cease
And build a faded dream again
With all our sinew and main
To relive in the spectrum of love
And shine like a moon above
To breathe in the radios of hearts
And kindle our soul's darkest part
To feel loved in the cuddle of
Thine warm gaze
To snuggle in your arms
In the ecstasy of thine saffron blaze

Let's try to relive
Our love story again
Where no dream is dead and slain
Where no one would point a finger
Where nothing is meant to explain

Farzana Aqib

Rekindle

Oh dear love

Don't' slowly fade away

Don't kill your inner flame

Our love may gain

A momentum again

Farzana Aqib

Pride

Darling, I was all there
Just you didn't notice my presence
You were too busy into you
To see who actually cared for thee
Who actually do

Farzana Aqib

Oblivious

I am so immersed in my love

I don't' know who is who

What is what

What is blue book

What is blue blood

And what is going on in the world

I am just into my love

I want to know where is he

In the endless space unfurled
In his thoughts I am stuck
In his search I am whirled

Farzana Aqib

Dark esoteric

My dark esoteric
Deep and lascivious love
Licking the saddest fabric
Of my inner volumpuous frenzy
Descending into the silent fervent
A hidden treasure of my lust
Works on me like a magic
Tearing out the frailest veiled
Dim and cold static
Ohh my fading love
It reignited the quest

An extruded ecstasy
Rebirth of your love
On the quivering realm
Of my soul
Thy love once again crawled
Like a drop of rain roll on a leaf
Like a murky bead
I taste the delight of
Thy succulent lips
My bed is warm, ohh my fading love
I will never let you abandon my dig
I wont' let my destiny turn tragic
I will surrender
For your divine devourment
From my heart to soul

Your divinity can reach my own
Extrinsic
Turn me upside down
Smash me disintegrate me
Explore the way you want to explore
As to you, and only you
I longed wished
I had loved before

Farzana Aqib

Choice

Your silence gave me
No reason to return
Now it's your turn
Either stay stern
Or show some concern
You do or you do not
I need to confirm
Pull my reins and halt
Don't let my bogie run

Give me a nous to smile
Or let my candles burn
Make me live once again
Or leave me forever as forlorn

Farzana Aqib

Stranger comes back home

I keep my doors ajar
Never fully closed
Never completely locked
May someday
Someone feels to return
Towards the old abode
Towards the old abode
Towards the lost path
I keep one candle alight
Every night
May in the dense of darkest sight

A tiny flame guide your heart
Like a light worm often
Plays a torch bearer part
To the lost birds of the woods
The flame of my burning love
Would call you back
And you should
The eternity of my love and faith
Would never let you depart
For a brief but not for good

Farzana Aqib

Au revoir

I am scared of goodbyes
I feel a strange sensation
When I see a closing door
I feel a deep pang of pain
When someone whispers adieu
I wish all the paths have u turn

All the farewell end at au revoir
I wish no one leaves no one's heart
Love is made for eternity
And beloveds stay in ones life
Forever, forever and forever

Farzana Aqib

Before Adam's time

My clan will outcast me
My people will disown me
My land will make out of place
I will be needing to cover my face
Is desire of heart that big sin
Is loving someone the
Greatest crime
Don't act clever, don't' pretend naïve
Love was always here
Even before the Adam's time
The treaty of hearts is
Meant for all

To read the clause and sign
Love is not a crime
It even needs not to define
It's written on the hearts
As predestined divinely rhyme

Farzana Aqib

Social butterfly

My desolate heart needs
Millions of friends
To forget one lost one
I need hundreds of eyes
To avoid thinking about
That one
Spell binding gaze
Which cut through my soul
I want millions of echoes and
cacophony of sounds

to forget that one whisper
which holds me captive all the time
I put a cover for self deny
I want to forget who am I
From a solitary human being
And a socially conservative kind
My heart pain made me
A restless gadabout,
A party goer, a social butterfly
So your memory doesn't stay
And swiftly past by
So no one Could see tears in my eyes

Farzana Aqib

Red letter day

It's a red letter day
Did you count, oh dear
It's almost a year
Since we parted our ways
Like an abandoned dried well
My eyes are left with no tear
It's almost one year
But see we made it
You still have me in your heart

I still love you on my part
Every day you send thy love
Every night I send my kiss
In the hands of the air

Farzana Aqib

Truest

A wet kiss of rain
Soaks the burning flames of summer
A kind cuddle of spring
Kills the deadly autumn
And white snowflakes
Welcome the jingle bells
So did you;
Your one loving gaze
Gave me another spell
You made me rebel
From the old torturous cell

Thank goodness my beloved
How much thy love gave me
I can't tell
You save me from a living hell
Now inside me
Besides thine reminiscent
Only my gratitude dwell

Farzana Aqib

Vanity

Oh my darling,
You are my reason of blossom
You are my façade
My vanity
Let me cherish my love sanity
I love you for eternity

Farzana Aqib

I love you

The way I love you

I never felt before

There are hundreds reasons

I love you for

You talk less and listen more

You never made me feel draught

Like a heavy downpour

I always soak

You always drizzle
Your love is abundant
Like some rain filled clouds
Come around more
Your whisper is melodious
Your talk is rhythmic
Like a soothing wind chime
Hanging on the door
Thine love touch my soul
Thy eyes cut through my core
You healed my broken wings
Otherwise I laid
All wounded with soar

You make me laugh when I don't
You gave me reasons
To carry on with a smile
Which I long forgot to wore

Farzana Aqib

Story of Karbala

Story of Karbala

Refused to fade away

After fourteen hundred centuries

And millions of trillions of days

Martyrdom of imam Hussain

The endurance of this epic tragedy

Shows imam's heroic capacity

And the brutality of yazid's army
Their cowardly act and insanity
Disgrace the face of whole humanity

Farzana Aqib

Never

I love you forever
There won't be any dawn
I wake up and don't think of you,
It's my resolute endeavor
Believe you me, and remember
My love for you won't die ever
Oh my darling no, never

Farzana Aqib

Impossible

I let me confess

Let me say

I think of you all day

I ruminate every night and day

I miss you always

You are one guest of the heart

Who come for once

And forever stay

Farzana Aqib

Love spell

Once fell in love

Always falling

Once lost in the woods of hearts

Always holler always hallo

Walking lonely in frozen nights

Like a lonely night bird calling

Farzana Aqib

Supreme authority

You are the only feeling I know
All the pleasure you send
All the pain you descend
You tickle me to giggle
You pinch me to offend
You are my only foe
You are my only friend
For you I happily surrender
For you I willingly contend
All the destiny maps of my life
You sketch, you draw

All the syllabus you design
All the lessons you amend
All the worries, all the pains
All the happiness all the gains
You commend till the end
You stir an unbelievable blend

Farzana Aqib

Cheat

Halt, don't move

I think I have seen you

Among the stars

I think I caught you red handed

Ohh moon of my brightness nights

Halt till the twilight compels you

To descend

On a grass yard beyond

Into the deep blue water
Of my lily pond
To give a surprise
To make me astound

Farzana Aqib

Confined

I still look into your eyes

As if any whole universe dwell in there

Farzana Aqib

Wide awake

I still look for you
In every rising dawn
In every descending dusk
In every midnight milky sky
In every twilight zone
Come back darling
Comeback home

Farzana Aqib

Mighty love

When a love gives
A pounding roar
Nothing remains unlike before
Nothing comes near
The whole world hides
Behind the doors
And a cavernous silence
The earth often had to wore

Farzana Aqib

Immortal

I have pasted your eyes
On my pages
Which I wrote from the ages
I glued thy name
My goodlier omen
On the titles of my poems
And whacked your face on my books
For thine sagely heart
And good looks
You are famous my beloved

Thine name is stirred in my ink
Thy story made roaringly moved
Within few seconds and one wink
Literature leaves deep impact
Over the centuries and decades
It never dies, man does
Pen is more true than the fact
Ink is more deep than a blood
Our love story will live my love
Till the end of this world
Destined through divine portal
My love will make you immortal

Farzana Aqib

Rude

Is it too hard
If you once call
And ask, how I am
Is it too much to ask
To someone
I have once written
My whole universe
In his name
Life sometimes act strange

Farzana Aqib

Farewell

Don't hush goodbye baby
Who knows if we could meet ever
Or maybe
I seem strong yet thy love makes me
A weak lady
I never felt like this before
Why your love is making me crazy
But I am sure you know
I love you greatly

Farzana Aqib

Karma

Someone once loved me
The way I loved you
But I never looked back
Never accept
Rather in a way so unapt
I reject
Now when you left
In a cunning crept
I realized how it felt
It's may be called karmic effect

Farzana Aqib

Dispelled

Love magic can't be
Dispelled
It stays on and on
That's why it's called magical
Love is always one time happening
Either it turns tragical
Or it proves miracle
But story it's writes on the hearts
Always remains classical
It turns you into a whirling dervish
If it comes from the sky window
Carrying a light so mystical
Or into someone radical

If it's coming from the worldly door
With a thread of practical
But it always gives you something
Always leaves it's mark
Be it spiritual, radical or empirical
Love never dispels it's physical
That's why it's called magical

Farzana Aqib

This world is a stage

God can give your most painful times

A beautiful turning

And to your most painful story

A spectacular ending

Keep going on the righteous paths

Nerve step in a treacherous wrath

Keep working on your dreams

On the destiny seen or under
Wait for the curtain rising
The director of the universe
Had his command
Over his plays
Over his players
And over his displays
He knows where to move
The next segment,
Where to give his final judgment
He is very certain

Where to add tragedy
Where to induct dance
And where to catch applause
And where to pull the curtain

Farzana Aqib

My last will

I need a pen, an ink and page
To rewrite all my years
And past age
One by one step by step
I will reach that wisdom stage
Where there will be no limits
To my humble gage
I will learn to end this rage
And take a break
Into a deep breath of sage

Life is not a war to wage
It's a peaceful journey to engage
I wish to learn the art of love
To be humbled and more human
To make my hater turn assuage
And slave all my anger in a cage
Before I bid farewell to work
I want to leave a guilt free sheet
A word of gratitude on my last page

Farzana Aqib

Let us live

You wish to protect Kashmir
You desire to fight for Palestine
You hold placards against extreme
Protect first what laid directly
Under thy hand
Your own daughters of the land
Ohh my native fighter man
You always dwell
In a brave fantasy

Ohh followers of the great legacy
First be Saddiq and Amin
Let thine native women folks
Breathe free in their own regime

Farzana Aqib

All women are available

This city is turned into a Bazaar

A bring-and-buy sale

A fete, kermis, a tag sale

Or an ultimate loot sale

Ohh so called gentlemen

Bring your mothers,

Bring your daughters

Bring your neighbour sisters

Ohh attacker ohh sinister

Ohh attacker ohh sinister

Be it your, be it your frinds'
Be it your community sisters
Rape them, snatch them
Tear them apart,
Make your city a brutal mart
Make this bazaar a buthery
Workshop,
Commodity has to be a women
Ohh so called gentle man
A woman who gave birth to you
A sister who always cherished you
A little baby who looks up to you
To protect her, with a Ruth
But we know what's the truth

Ohh you beast ohh you brute
You have shaken all our hearts
Whole humanity and it's repute
I wish there was umer-e-khytab
Or a real leader of human troop
To hit you hard and directly shoot

Farzana Aqib

Coincidence of love

Isn't it strange

I love him like my life

And he is turned stereo type

I narrated him my life story

And word by word

Made him glory

I wrote for him my heart felt lyrics

My devotional books and poems

He hasn't read what a coincidence

He act silent calm and drawn

Breaking down no pretence

He is sometimes out of radices
Out of sight, undisguised
No more message no more voice
So I could accept his non existence
Ohh, dear heart don't lose hope
Journey of hearts need much patience

Farzana Aqib

Asking

Stop this childish fuss

Enough is enough

Move a bit and budge up

Kill the silence and speak up

Ohh my winsome ohh my love

It's just between two of us

Farzana Aqib

Oh my love bug

From a long awaited
Wish of heart
I refuse to budge
Wish to steal my long lost love,
Like a professional thug
With all my innocent nudge
To hold you tight and give hug
To fill my inner longing quest
Like a seep slug

You be my witness and my judge
Your love is my sheer intoxication
You're effective like a drug
Make me sing my forgotten song
Like some happy love bug
Brush aside all the pain
Sweep the past under the rug
Is it hard to reignite
The dying flame of love
Do some effort adjust the plug
Move aside all the worries
With a slight smiling shrug

Farzana Aqib

Awakening

You are forsaken
I am outcast
As our destiny left us shaken
To me, your love came to jolt me
From a deep slumber
And to waken
All my worries and pains to taken
I will never forget you my amour
Don't you ever be mistaken

Farzana Aqib

Love must win

Like an endless sea
I myself don't know
Where are the boundaries
Of my endless love for thee
I don't' know
How deep is my love
How strongly it persists
How many waves of emotions
Inside my heart exist
How many arise and subside
I don't know

I am just floating and floating
Until you embrace me tight and kiss
Until I couldn't resist
You make me merge so complete
Into the eternity of thy
horizonless love feel
so from sky to earth
only love stay and persist
the misery of hearts
get fading fast
hiding behind its luminous mist

Farzana Aqib

Sundered hearts

Hearts split in sunder
But ego don't' surrender
With the tears of rain
And mourning thunders
Ego fixed its heals
And don't' surrender
Heart may bury under
With the pain so intense
And with deep love hunger

My thoughts are cracked
In ugly wonder
This faced up
Amour propre caused
So much misery
So much blunder

Farzana Aqib

Goosebumps

Those cavernous eyes
Still spell bind me
although you are nowhere
but my goose bumps
often tell me you are somewhere
very near
still standing in some corner
still looking at me
with fiercely stare

Farzana Aqib

Deafening silence

Let's see who first breaks the silence
Who breaks the ice
I tried not once but twice or thrice
Now it's your will, it's your choice
Give your beacon a full voice
Your love be enough and suffice
Don't' leave me alone to pay the price
For this love we both did sacrifice

Farzana Aqib

Unbelievable love story

I am two decades ahead
You are two decades behind
You live in the east
I am westerly designed
I fly in the open skies
Like a free will bird
And you are a king of your
Own worldly confined
Why our souls are still aligned
Why our hearts are entwined

Now I believe love is beyond time
It's sent from above
With Godly stamps
And divinely signed

Farzana Aqib

Journey of hearts

Where there is a love

There is a possession

There is a fight

There is a pain

There are seeds of discord

There is a fruits to reap

There are tears to shed

There are moments adored

Love keeps you immerse

Love makes you busy

It has its own world

A world inside another world
It has its own city
Filled with love and pity
My love has its own dawns
It has its own evenings
It writes its own journey
It decides its own beginning
But at the end of the day
My love wants to stay
And grow with me
And I want to live wherever he be
Despite all the scrimmage
My love is my image
And I am in his lineage

He can't live without me
I can't live without him
Where love draws it's end
From there once again
It begins

Farzana Aqib

Indecisive

Indecisive, unsure, inconclusive
Leave it, take it, forget it
Always stuck
In a blurry cloudy wrack
Every time thy love wins
Every time I go back
On the same one way track
Like a love stricken maniac
Every time adhere to your love
Every time praying to get you back

Farzana Aqib

Not guilty

I won't feel guilty for my feelings
Love isn't blame worthy
It's pre destined and divinely
Not designed worldly
Don't make me
Conscience –stricken
Don't ashamed me
Let me take it as an honor
As if something Godly given

Farzana Aqib

Trust

Take me wherever you may
Today tomorrow or any day
I am your I swear

Farzana Aqib

Quote

Don't judge the civilization and
Progress of a country by the depth
And Breath of their concrete carpeted
roads and motor ways
Judge their civilization through
the way they treat their women
on the roads

Farzana Aqib

Quote

The upbringing and civility of a man is
Better judged when he encounters a
Helpless woman surrounded in the
Herd of human wolves:

Farzana Aqib

Quote

The difference between a jungle
And a city is that you don't attack the
Respect and life of a single and
Vulnerable's person openly like a
Cackle of hungry hyenas

Farzana Aqib

Quote

Don't boost your manhood, in the city
Of cowards who can't protect a single
Girl despite being in hundreds

Farzana Aqib

Quote

No matter how well dressed and
Graceful you appear, if a girl sitting
Next to you is uncomfortable in your
Presence, your civic carries a big
Question mark

Farzana Aqib

Quote

A society who can't protect their
daughter inside on their own roads,
Should get prepared to be invaded by
The intruders on the borders, for the
Message is sent lauder and clear that
The conscious of this nation is all set
to compromise

Farzana Aqib

Quote

Destined are the lands and the homes
For famine, draught, disease and
calamity; where a woman is being
Disgraced and disrespected
Don't, never forget, she is the
Avatar of the God for being the
Only rightful deity to create a life
after him,

Farzana Aqib

Quote

Haven't you witnessed the status and treatment towards a woman in the third world and underprivileged Societies, don't' you ever think why They are always called underdeveloped and emergent nations:

Farzana Aqib

Flit

I can't unloved my heart
I couldn't move on my part
I want to relive my love with you
I want to have a fresh start
I want to immerse in thy soul
I want to go part by part
My love for thee is above the earth
It's coming from the deeps of heart
It's piece by piece
Heavenly designed

It's angelically made divinely craft
It somehow carries
My soulful treasures
It's anciently resembling unique art
I can't breathe I can't laugh
Without you my sweetheart
I'm like an empty thesis
With no writing with no draft
I am sinking in deepest emotions
I am not on any raft
Give me wings
To fly with thee, on a magically driven
Guiding waft

Like a trusty winged horse
Which flit like angels
Swift and fast

Farzana Aqib

Together

Don't try to escape
Reality never changes shape
Be it on the red carpet
Or behind the yellow tape
Come with me in front of the mirror
Let's together face

Be my reflection or my shadow
Be my strength don't fade
Together we will win the race

Farzana Aqib
